## Editor's Note

Twenty-nine years of non-stop service to the community is no mean feat and therefore deserves a celebration and a TOAST !

We also give recognition to our active charter members for their loyalty and commitment to the club - 29 years of never giving up even if the going got rough.

RCWWD has been in the midst of Rotary activities since these ladies discovered that when *you Look Beyond Yourself you will find that Real Happiness Is Helping Others.*

As we celebrate our 29th year, let us move forward by looking back and be thankful that our club was able to *Make a Difference, Inspire, Connect* and *Open Opportunities* to some of our beneficiaries with positive results.

Our club is one of the instruments of change in our community. I am surely proud to belong.

I hope we will not forget our strong commitment of pursuing the ideals of service and remain solid in our fellowship.

Let us continue doing what we had committed to do as Rotarians — hand in hand because

*"Some roads are not meant to be travelled alone"*

and the show must go on !

Dear Rotary Club of Waling-Waling (Davao) members,

I am honored to congratulate the Rotary Club of Waling-Waling (Davao) on its 29th anniversary.

Since your club was chartered, you have made the commitment not only to represent Rotary in your community, but also to do significant, meaningful work from which your community will benefit.

When we join Rotary, we make a commitment to Rotary values, to friendships and to a life of **Service Above Self**.

As a Rotarian, everywhere you go in the world, you are among friends.

Through our work, we open opportunities for the people and communities we serve, and opportunities for ourselves to live richer, more meaningful lives.

All of the service that Rotary does, all of the lives we change, all of the children in the world who will never, ever get polio — all of this happens because we, joining together through Rotary, are strong.

You have risen to many challenge through the years and met your obligations as members of this wonderful organization.

Each Rotary club is unique in its own way.

By reaching this milestone, you have shown your commitment to our organization and to all that Rotary does and hopes to do.

Congratulations once again on your 29 years.

I know that you will continue to serve your community and beyond for many more years to come as Rotary Opens Opportunities.

To President Gigi Espiritu, the Officers and members of the Rotary Club of Waling Waling Davao

I am pleased to extend my warmest greetings to the Rotary Club of Waling-Waling Davao on the occasion of your 29th Charter Anniversary.

Every Rotary Club has its own personality and its own character; each one finds its own unique ways to serve.

When a community gains a Rotary club, it also gains a heart: a group of caring and committed women, like all of you, who come together every week to make that community a better place.

This milestone gives you an opportunity to reflect upon your proud history and achievements, while honoring the ties of fellowship that have contributed to your success as part of one of the world's foremost voluntary community service organizations.

Look forward to the next 21 years by building on the past achievements of your club and by keeping your club effective and relevant to the future needs of your community and the world at large.

I would like to commend each one of you for responding to humanitarian concerns with generosity and compassion.

Your beneficiaries, partners and community benefits from the spirit of giving and service to others that is a trademark of being a Rotarian.

Please accept my best wishes for a most remarkable 29 years of doing good in your community and in the world.

I send my heartfelt gratitude to the Officers and members, for working side by side with me as your District Governor.

Let us continue to discover endless possibilities as Rotary opens doors of opportunities, as you continue to make lives better.

Yours in Rotary Service,  
District Governor Riz

Their unwavering support and commitment to our club for our various community projects has helped a lot of people in the communities that we have continuously been helping.

Let us continue to move forward and continue to transform lives with our communities.

Let us hold hands in this Rotary journey and continue with our deep and meaningful relationship we have with each other.

Especially during this stressful year, it is important to reflect on all the blessings our club has received and has shared to other people

**28th Regular Meeting of RCWWD via zoom on Jan 21, 2021.**

This Thursday's guest speaker PP Mae Dolendo made a wonderful presentation on her UPLIFTING TALK: LIVING LA VIDA LOCA on the pressing issues of Covid and implications of the Vaccines available. The insight shared brought deeper understanding of our current situation consequently forming new questions as this is humanity's first encounter to this pandemic.

We orient into adaptability and the hurdle how we as adults, well into our older days, can protect ourselves yet continue to serve the community. Thank you PP Mae for volunteering time and knowledge on this informative talk.

Club Secretary Baby Vilela updated on the continuous effort RCWWD dedicates to HOH Pamalengke Project with an estimate of 2,100 beneficiaries and counting.

Club President Gigi Espiritu encourages everyone to join the PE-SE Rotary Zoom 101 on January 30. Our regular Thursday meeting will be merged at this event.

"Pamalengke Para Sa House of Hope"

Pamalengke Para sa House of Hope"  
A COVID 19 pandemic response project providing weekly food rations to kids with cancer and their caregiver at the House of Hope , Southern Philippines Medical Center.

-RCWWD

The Rotary Club of Waling Waling Davao (RCWWD) in response to the COVID19 pandemic, supported patients and families at House of Hope by providing cooked meals, meat, fish, eggs, fresh fruits, vegetables and bread since April 6, 2020.

The "Pamalengke Para sa House of Hope" Project is supported by cash and in-kind donations from RCWWD members, benefactors and friends.

House of Hope is an RCWWD signature project, a transient home for children with cancer located within the Southern Philippines Medical Center Compound here in Davao City. Majority of the patients come from outside Davao City and were unable to return to their homes due to the Davao City quarantine regulations and lockdown.

COVID19, a pandemic affecting all areas of everyone's life which significantly does affect the immunocompromised and pediatric cancer patients who are most likely to die once infected.

The project has benefited approximately 2000 kids and carers staying at House of Hope since the start of the covid pandemic.

An inspiring story in these trying times, such obstacles have a way of creating opportunities.

## Rotary Protocol and Decorum

Every Rotary Club has to organize many functions and meetings. There is certain protocol to be observed to recognize dignitaries, to show them love and respect of the organization.

A proper observance of protocol enhances the prestige of the concerned and also brings decorum to the function.

Below are certain hints as to how one can observe this protocol :

All Rotary meetings hosted by a club (including Intercity Forum, RYLA, etc.) and/or a regular meeting of the Club should be presided over by the President of the Club. The meeting will be called to order by him/her and not by the Master of Ceremonies or such other functionary.

A Rotary meeting hosted by District or District Committee will be presided over by the serving District Governor. He will call the meeting to order. Whilst calling the meeting to order, the gavel is first gently banged on the table and then the Presiding Officer says, This meeting is called to order. Similarly whilst adjourning the meeting the Presiding Officer announces, This meeting is adjourned and thereafter gently bangs the gavel on the table.

The protocol to be observed in order of precedence for greetings is as under:

As a general rule, present functionary will precede past, and past will precede future. Serving District Governor, Past District Governors starting from senior most, DGN, serving President, District Officers, Past Presidents, President-Elect and so on.

If the Mayor or the first citizen of the town is present in a Rotary meeting, he should be invited to the dais and should be recognized first.

Once protocol is observed in a meeting initially, the subsequent speakers need not repeat the protocol but get down to business by addressing "Fellow Rotarians and Guests". This will help save time and not to say the least, avoid possible foul up of protocol. Whichever may be The Rotary meeting, hosted either by the Club or by the District, the serving Governor, if present and as the Chief Guest, will speak last. After the speech of the Governor, there should be no further speeches or for that matter summing of the speech. The only item on the agenda will be acknowledgements and a vote of thanks. During the official visit of the Governor to the clubs, there should be no additional Chief Guest, Governor being the only one. Clubs are discouraged to have more than one chief guest at the installation function or such other Rotary function or during Governors Official Visit

## **ROTARIAN CODE OF CONDUCT**

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

### **THE FOUR-WAY TEST**

of the things we think, say or do

- Is it the **TRUTH?**
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS?**
- Will it be **BENEFICIAL** to all concerned

### **THE OBJECT OF ROTARY**

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## **ROTARY'S SIX AREAS OF FOCUS**

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
