VOLUME °29 / ISSUE 35  
18 MARCH 2021

Dear God,  

As we gather here today as members of Rotary, we pray that we are ever mindful of opportunities to render our service to fellow citizens and to our community.

Keeping in mind always the enduring values of life, exerting our efforts in those areas and on those things upon which future generations can build with confidence.

Let us continue to strive to make a better world.

Amen.

## Two Faces of Spring

In Europe, March is the start of spring, when flowers start to bloom after a long lethargic winter. Everything changes. The bleak gray surrounding is now transformed into different hues of colors pleasing to the eyes and during this time people start their what we now famously call Spring Cleaning – getting rid of things one sees as überflüssig (unnecessary) and keeping those one holds dear.

I miss spring in Europe. To those of you who had the privilege of having lived there, you surely know what I am talking about.

In Rotary, I am sure Pres Gigi is now doing her own spring cleaning. I know that she has lots of dossiers to go through, discarding the ones she does not need and keeping the ones she does.

She has come to the most beautiful part of the Rotary Year – March which is the month for doing the last of her reports.

The more projects the club does, the more paperwork, but then again on the brighter side, more beneficiaries served, right?

This means their work (Sec Baby and her) as a Rotary Leader is nearly done.

Time really flies fast when you are busy.

So for you “presidentiables” out there, it really is not so bad.

One year is just a wuuuzzzzshh ... and then comes the Turnover Ceremony.

I am sure Pres Gigi can hardly wait !!! .

Amidst the pandemic, she managed to bring projects to the communities.

No fear, just trusting God to protect her and some club members, and indeed HE does and will continue to do so..

We are truly blessed . . .

so hey, who's complaining ?

## Pres Impression

Good day Ladies

Last Thursday was going back to memory lane.

Our speaker Ms Patricia Irene Dacudao, the daughter of our former member, a charter member Esper Dacudao made us reminisced on those good old days here in Davao. Her presentation opened the doors of our past. A lot of members shared their memories of what Davao was like before. The popular food shops, department stores, and all prominent structures.

Rotarian Myrriam Tan shared that her grandfather migrated to Davao from Zamboanga . They were one of the Chinese migrants who came to Davao.

It was also mentioned by Director Luchie that the Chinese migrants before were speaking in Chabacano that is why when they migrated here they were understood by the Dabawenyos because of their Spanish influence. Director Luchie contributed too with the history of Davao.

It was chartered on March 1, 1937.

It was also mentioned that it is very unfortunate that the name of our streets now were changed.

The names Uyanguren and Claveria were taken from Davao's forgotten heroes.

Don Jose Uyanguren started the Catholic settlement near the banks of Davao river. Gov Gen Claveria provided the fleet for Don Jose expedition.

A lot even our speaker disapprove the change of names of our streets here in Davao.

It was a nice afternoon of sharing our past and going back to our memories from our grandparents time to today. A comparison of how life was before compared to today.

Today we will be having our 3rd Club Assembly.

We will elect our new set of board of trustees for our Light a Heart Foundation.

I would like to thank PP/Treas Lorna for covering for me last meeting.

I had my schedule for my COVID 19 vaccination, that is why I was late for the meeting.

I would like to thank PP Vangie too for her continued support to the club for doing the weekly Bloomscoop, to Dir Maem as Director for Public Image , to PP/ Sec Baby for doing our monthly report and to PP Remie for always helping me out with District concerns and for taking charge of our special projects.

Daghang salamat sa tanan. 

**DIR MAEM CUA-ZHANG**  
(Public Image) :

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas and form meaningful, lifelong friendships.

Over time, Rotary’s reach and vision gradually extended to humanitarian service. Members have a long track record of addressing challenges in their communities and around the world.

The RCWWD 34th Club Meeting was held by zoom on March 11, 2021.

Our prestigious guest speaker **Ms. Patricia Irene Dacudao** brought us to memory lane with her wonderful presentation of the sensational history, arts and culture that founded inspiring city that we today live in, Davao.

As we celebrate history, the victories and struggles that shape our lives, we also look back to the fun times that brought highlight to our memories. The amazing stories each posses and recall, all thanks to our guest speaker. Now as we endure the commitment to solve some of the community challenges, we aim to change the world for the better. Ever since Rotary was founded, we Rotarians are still making history. We each have stories that trace our evolution as an organization through historical documents, artifacts, and images that show the people and events that shaped and being shaped by Rotary. *“Whatever Rotary may mean to us, to the world it will be known by the results it achieves.”* Paul Harris Rotary founder

**June 28, 1848**

Oyanguren vanquished the forces of the fierce Datu Bago. He established the small settlement that would grow into the city of Davao. He secured for Spain and for Christianity a firm foothold in Eastern Mindanao.

**June 29, 1848**

Day after the battle, Don Jose offered a thanksgiving mass in honor of St.Peter.

He later built a small chapel made of nipa and bamboo nearby, the site on which would later stand the San Pedro Cathedral.

**Music**

- ▶Opera – foreign and Filipino
- ▶**Jovita Fuentes**, National Artist and Filipino international opera star (1928).
  - ▶Made “Ay ay Kalisud” famous; world debut as Cio-cio San in Madame Butterfly (1925).
- ▶The **phonograph** (1907, 1930s models)

**THE JAZZ SINGER, 1927**

- The first talkie
- Shown in Cine Liberty (first movie theatre in Davao, established by former US Army soldier –turned businessman Jerry Roscom)

Warner Bros. publicity photo for the film *The Jazz Singer* (1927), featuring Al Jolson as Jack Robin, in blackface, performing “My Mammy”  
From Wikimedia.computer

**Dir Luchie** also shared some interesting insights on the history of Davao.

A Datu Bago Awardee, surely you will have answers to your questions . She is our Davao Wikipedia.

Datu Mama Bago was a formidable warrior. If he wished, he could muster 400 fighting men from upriver - the Moros of Maa and Lapanday and even from Sarangani.

Their lantaka emplacements were on both sides of the mouth of Davao River.

## Rotary Information

Providing human, technical and financial support to Rotary clubs and districts that are seeking to help communities to gain sustainable access to water, sanitation and hygiene.

**The Water & Sanitation Rotarian Action Group (WASRAG)** was formed in 2007 by a group of Rotarians, recognized by Rotary International, and focused on WASH projects. Since then it has facilitated many hundreds of projects – helping clubs find partners, ensuring sustainability, stressing the importance of a needs-driven approach, and developing best practices. We encourage a holistic, integrated approach in which water is not the end in itself, but is rather the means to a better life and livelihood in the community. Most importantly, WASRAG links water and sanitation to improved hygiene, better health, and empowerment of the community – especially women, irrigation and agriculture, education and literacy and, ultimately, child mortality.

### **WASRAG Goals:**

- Access and connect with experts in WASH
- Provide technical guides for all stages of WASH projects including program life cycle
- Seek funding outside the Rotary domain to complement internal resources
- Facilitate connections with other organizations sharing Rotary goals
- Alert Rotarians to the availability of expertise and financial resources
- Identify and share Rotary and other resources available to Rotarians.
- Assist and enable clubs to seek support from other clubs, from TRF and beyond Rotary
- Ensure clubs can learn of the needs of other clubs
- Maintain and build a collaborative working relationship with RI and TRF
- Implement appropriate processes to monitor and evaluate the impact, efficacy and sustainability of Rotary projects and programs
- Facilitate the exchange of idea and information

## What Is your Rotary Club doing to focus on Water and Sanitation in March ?

Clean water and sanitation is a human right. When people, especially children, have access to clean water, sanitation, and hygiene, they lead healthier and more successful lives. We don't just build wells and walk away. Rotary members integrate water, sanitation, and hygiene into education projects. When children learn about disease transmission and practice good hygiene, they miss less school. And they can take those lessons home to their families, expanding our impact.

### Rotary Makes Things Happen :

#### WASH in Schools Target Challenge

Clean water, better sanitation, teacher training, and hygiene education in schools can improve the health and education of children by creating a cycle of opportunity: improved education, increased school attendance, and improved academic performance.

What is the WASH in Schools Target Challenge?

The WASH in Schools Target Challenge is a pilot program created to motivate Rotary clubs to develop sustainable water, sanitation, hygiene (collectively referred to as WASH), and education projects using the expertise and resources available through two of Rotary's areas of focus: basic education and literacy and water and sanitation.

The program will focus on measuring the impact that WASH and basic education and literacy initiatives have on school attendance.

Rotary and UNICEF will recognize Rotary clubs and schools whose WASH in Schools projects achieve the benchmarks outlined below.

During the pilot phase, the program will run through July 2020 in five countries, all chosen for their strong, active involvement in school sanitation efforts: Belize, Guatemala, Honduras, India, and Kenya

#### The Target Challenge — Step by Step

Follow these steps to help your club achieve the Target Challenge and improve the lives of students in the community:

- Know your WASH in Schools country or district-level recognition committee. It is a valuable resource for helping with the Target Challenge in your area.
- Assess the school's needs and understand its long-term goals. Gather baseline data to help you evaluate your project's measurable outcomes.
- Submit baseline data, required for recognition. Contact your recognition committee to learn how.
- Use the information from the school assessment, and collaborate with the community to plan and implement your project's activities.
- Continuously gather outcome measurements and submit data every six months.
- Complete and submit recognition applications to your recognition committee.

Even if your club or district isn't in a pilot country, you can still support a project as an international sponsor. International sponsors collaborate with a host club or district in Belize, Guatemala, Honduras, India, or Kenya to support projects in the pilot country. Contact [aof@rotary.org](mailto:aof@rotary.org) to learn more.

## End Water Poverty

End Water Poverty (EWP) is a global civil society coalition campaigning to end the water and sanitation crisis. Established in 2007, it has now grown to over 350 members in more than 50 countries around the world, working in all regions across Africa, Asia, Latin America, Europe and North America.

The members are civil society organisations ranging in size and scale, from large international non-governmental organisations, such as WaterAid and regional networks, such as the Freshwater Action Network - South Asia (FANSA), to national networks, as well as small grassroots and community-based organisations.

### The Problem

Today, 663 million people still don't have clean, safe water. This results forces women across the world to spend 200 million hours a day collecting water. 2.3 billion people don't have access to adequate sanitation facilities - that's 1 in 3 people. More people have mobile phones than have access to a safe toilet.

Lack of access to safe, sustainable water and sanitation has a negative impact on health outcomes - over 500,000 children die every year from diarrhoea caused by unsafe or dirty water and poor sanitation.

### Vision

We are united in our vision to ensure that everyone has access to sustainable water, sanitation and hygiene (WASH). To achieve this we work at a range of different levels to leverage change:

**Globally:** Enable civil society voices on WASH are heard throughout key global processes so that sustainable WASH becomes a high priority on the international and national political agenda.

**Regionally:** Influence regional bodies so that they prioritise sustainable WASH.

**Nationally:** National networks and members will develop long term advocacy campaign plans so that we push governments to implement sustainable WASH for all.

Access to water and sanitation cannot be achieved without considering all aspects of the water cycle, including the effective and integrated management of water resources, waste water management, and water scarcity and resilience to water-related disasters amongst others.

While EWP does not campaign on wider water issues specifically, throughout our work we continue to emphasise the linkages to these important issues, and how these are critical in ending the water and sanitation

In July 2010, the UN General Assembly formally recognised the human right to water and sanitation. While some countries have already included an explicit reference to the right in their constitution, many are yet to do so.

In 2015, the UN went one step further and formally recognised the human rights to water and sanitation as distinct, but inseparable rights.

EWP partners campaign at all levels, nationally, regionally and globally, for this right to be recognised in law, and for it to also be realised in practise.

The world now has a new global agenda - Agenda 2030, through the adoption of the Sustainable Development Goals - which will shape our development for the next 15 years and work to end inequality. We are delighted that there is now a dedicated water and sanitation goal - **Goal 6** - but now is the time for the hard work to begin at a national level!

We work with our members and partners to effectively shape global and national priorities and help determine where aid and support is invested. We have to ensure that work to achieve the global goals prioritises water and sanitation as ensuring access for all is critical to meeting so many of the other goals. 100% is possible in our generation.

National campaigning is central to EWP's work as it is governments which can bring about the greatest change. Through EWP we develop overarching campaign strategies and then support our members to develop national or regional plans which support our global objectives.

We also provide advice on campaign strategy development and communications.

In the last 29 years, RC Waling-Waling Davao has:

- accomplished 10 TRF Grants and 12 combined WCS/RC Narashino projects / 4 District Grants
- sponsored nine and hosted 11 GSE members
- sponsored one and hosted two RYE students
- hosted five Rotarians on an Individual Friendship Exchange (USA & Canada)
- forged 12 sisterhood ties with Rotary clubs in Australia, USA, India, and within the Philippines
- organized several Rotary Clubs, Interact and Rotaract Clubs, and RCCs
- spearheaded Zone and District level activities

The Light a Heart Foundation, Inc. (LAHFI) is a non-stock, non-profit, SEC registered charitable corporation organized by the Rotary Club of Waling Waling Davao (RCWWD). The Foundation serves as

the administrator of all the monies and donated goods entrusted to the club-either through donations, World Community Service, Matching Grants, or specific fund-raising projects - to undertake the various humanitarian programs of the club. RCWWD manages the implementation of the programs/projects.

DIVERSITY • INTEGRITY • LEADERSHIP**

## **ROTARIAN CODE OF CONDUCT**

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

### **THE FOUR-WAY TEST**

of the things we think, say or do

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned

### **THE OBJECT OF ROTARY**

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## **ROTARY'S SIX AREAS OF FOCUS**

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
