Editor's Note

.. resolutions ...

Next week, we will have NO MEETING in observance of the Holy Week.

The recollection of Holy Thursday, Good Friday and Black Saturday is supposed to lead to a renewal come Easter.

Perhaps this is a good time for us to make resolutions and for me I have 3 things in mind:

- * To adopt and sustain an attitude of thankfulness and start each day finding reasons to be thankful.
- * Try to do things now instead of later, because later is not the best time to do things – and later is just an excuse for Procrastination
- * And my favorite:
To complain less and find good reasons why somebody is being bad.

Have a blessed Easter !

For God so loved the world that he gave his only begotten Son, that whosoever believes in Him shall not perish but have eternal life.

For God did not send his Son to the world to condemn the world, but to save the world through Him.

Whoever believes in him is not condemned, but whoever does not believe stands condemned already because he has not believe in the nature of God's one and only Son."

Greetings to all of you Ladies

Last Thursday we had our 3rd Club Assembly. Chairman Mae of LAHFI presided the meeting after I adjourned the first part of the program.

She updated the membership on the status of the foundation and Treasurer PP Remy for LAHFI gave her financial report.

We thank the board of trustees for a job well done for this year.

The following members of the Rotary Club of Waling Waling were elected as board of Trustees for the Light a Heart Foundation for RY 2021 - 2022:

1. PP/TReas Lorna Llamas
2. PP Mae Dolendo
3. DT Malou Jacinto
4. PP/Sec Baby Vilela
5. PP Remy Calaguas
6. IPP Tess Yniguez

PE Janette Valderosa and PN Vanessa Madayag and myself are included too in the board of trustees

The ROTARCT Club of RMC asked for donations for the 1000 families who were victims of fire at the Agdao area.

PTreas Sylvia, Dir Luna and PP Veg gave cash donations . Rtn Belinda gave canned goods. This will be turned over to the ROTARACTORS for them to distribute to the fire victims.

“ Giving is not just making a donation. It is about making a difference”

Kathy Calvin

Today we are honored to have Ms Venus Raj as our inspirational speaker. She would share with us her journey in life. She was a 4th runner up in the Miss Universe beauty pageant, became a host of a morning show at ABSCBN .

Let us warmly welcome her today.

DIR MAEM CUA-ZHANG
(Public Image) :

Our Leaders at Rotary exemplify all of the qualities that make our members extraordinary: integrity, expertise, and a commitment to service.

Rotary is led by diverse members who are leaders in their own field establishing together the cause to develop positive lasting change in the community and for the generations to come.

The 35th RCWWD Regular Meeting last March 18, 2021 held by zoom devoted this time in choosing the next leaders to support and guide the club.

LAHFI or Light A Heart Foundation Inc was created to assist, sustain and grow Tibungco Day Care Center, a success project standing for 20 years and counting providing education and a better future to its local community. A new board has been elected to carry the torch in the unified aim of progress to the project. With the commitment of the Club, we look back to the past problems we gave solution to and look forward to growth and improvement from the current challenges we face.

Thank you PP Mae for the report given.

The club supports this batch of strong and dynamic leaders.

New Rotary Foundation grant supports scaling proven malaria program in Zambia

The \$2 million grant goes toward Rotary club-led Partners for a Malaria-Free Zambia program; an additional \$4 million contributed by partners the Bill & Melinda Gates Foundation and World Vision USA

by Ryan Hyland Illustrations by Gwen Keraval

The Rotary Foundation is giving a significant boost to the fight against malaria in Zambia with a new \$2 million Programs of Scale grant that will scale an already successful program model.

Partners for a Malaria-Free Zambia is a Rotarian-led effort that will use a community health worker model proven to effectively respond to cases of malaria and prevent transmission.

The program aims to help reduce malaria cases over time by 90% in 10 target districts in two of the country's provinces.

Malaria, a preventable disease caused by a parasite spread through the bites of infected mosquitoes, continues to be one of Zambia's leading causes of illness and death, especially infant and maternal deaths.

The grant will allow Partners for a Malaria-Free Zambia to strengthen the country's health system by working with Zambian health officials at all levels and training 380 health facility staff members, as well as training and equipping more than 2,500 new community health workers. This will increase access to malaria diagnosis and treatment for the more than 1.3 million people in heavily affected areas in the Central and Muchinga provinces and greatly contribute to the national effort to eliminate the deadly disease.

Sponsored by the Rotary Club of Federal Way, Washington, USA, the program brings together local Rotary members and partner organizations who share a goal to combat malaria in Zambia. In addition, the Bill & Melinda Gates Foundation and World Vision USA will co-fund the program with \$2 million each, bringing total funding to \$6 million.

Fighting malaria has long been a priority for the Federal Way club. For more than 10 years, club members have been building relationships and working with international partners, including Zambian Rotary clubs, Malaria Partners Zambia, Malaria Partners International, PATH's MACEPA project (Malaria Control and Elimination Partnership in Africa), the Ministry of Health's National Malaria Elimination Centre, provincial health leaders, World Vision, the Bill & Melinda Gates Foundation, and other nongovernmental organizations.

Rotary club-led Partners for a Malaria-Free Zambia program will help reduce malaria cases by 90% in 10 target districts in two of the country's provinces.

Eau sans frontières (water without border)

Eau sans frontières is a French association of Rotarians available to all clubs and districts.

Founded in 1978 Eau sans frontières aims to help underprivileged populations in the low-income countries by giving them access to water, sanitation and hygiene (WASH), by enabling them to create and maintain market gardening, develop animal husbandry and promote good health in the community.

In more than 40 years, Eau sans frontières has improved access to water for more than one million people through several hundred projects, mainly in sub-Saharan Africa.

These projects are funded by club actions and / or donations and can be matched by The Rotary Foundation or by a public or private grant.

For donors Eau sans frontières is the meeting place where to discover the requesting villages, where to establish a coherent action plan, where to follow these actions until their completion and then for several years.

Eau sans frontières, thanks to its experience in WASH projects, offers assistance to Rotary clubs in French-speaking countries. T

his assistance can take different forms, from advice to co-management of the project, or even funding.

Eau sans frontières is run by volunteer Rotarians. Its operating costs are covered by membership fees and contributions from Rotarians, thanks to this rule 100% of donations for projects finance projects.

The Water, Sanitation and Hygiene Rotary Action Group is a group of Rotarians whose purpose is to support Rotary clubs to effectively plan, finance, implement, monitor and evaluate water, sanitation, and hygiene programs, where they are most needed in a collaborative, cost-effective, timely, and sustainable manner, true to the principles of Rotary International.

WASH Rotary Action Group operates in accordance with Rotary International policy but is not an agency of, or controlled by, Rotary International

**CORE VALUES: SERVICE • FELLOWSHIP

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

THE FOUR-WAY TEST

of the things we think, say or do

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY'S SIX AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
