A Letter from the Editor-in-Chief

August is known as the last summer month of the year before autumn happens - that is, in the countries that experience four seasons. Here in the Philippines, we always have summer - with lots of rain from July until December. Classes have started for most students, while others already started their term last June. But for us Ladies in Red, we're always on the move. This Rotary Year hasn't been any different for us, apart from the fact that we're all experiencing a pandemic.

For this third week of August, we're still going strong with the Pathfinders' project to highlight the Rotary theme of this month; our president has been on a roll with her ongoing and upcoming projects; and our members have welcomed a proposed member with open arms.

Let's think of August not just as the "last month of summer," but as the start of whatever chapter is coming next. After all, we can never tell what the future holds. So, let's welcome this too with open arms.

Ma. Alessandra Elisabeth Könst

Adviser for the Rotaract Club of Waling-Waling Davao • Membership Committee Member

Cheers!

PRESIDENT'S TIME & ADJOURNMENT

Pres. Jannette Valderosa

Today Lord, while we convene online with our colleagues in Rotary, and seek your guidance to be always faithful to you in everything that we think, say, or do, we could not help to think of the world facing the pandemic. Today Lord, we pray for the world:

You have made the whole world stop walking for a while. You have forcibly silenced the noise that we have all created around us. You have made us bend our knees and ask for miracles.

You humiliated the proud and powerful. The economy is collapsing, businesses are closing.

We have been very proud to think that everything we have, everything we own, has been the result of our hard work. We are going around in circles looking for some cure for this disease, when in fact we need to humble ourselves and ask for guidance and wisdom only from You.

Perhaps this virus is actually Your way of purifying and cleansing our souls, bringing us back to You. Today, in prayer we ask for forgiveness, we ask for healing and protection against this virus, but above all, we ask that Your Holy and Divine Will be done.

Our GOD we beg You, deliver us from all evil on Earth if it is Your will! May your name be always glorified.

Amen.

Waling-Waling (Davao)
Rotary
Club

August is Rotary's Membership and Development month. It's during this time when we celebrate our Club, our Members, and the things that we do in our communities. Last Thursday, our host group did beautifully well in narrating why we joined Rotary and why we all love to be members of the Rotary Club of Waling-Waling Davao.

I have been a member of our Club for nearly 15 years. I have spent most of my Thursday afternoons attending our club meetings. Thursday is not usually my favorite day, but after every meeting, I feel energized. Our mood breakers and the presence of our other members make me feel good. The exchanges of brief chats, smiles, and jokes are enough for me to feel a little better about the world.

There are no face-to-face meetings right now, and there won't be for a long time. We are not allowed to hold big activities, and we may not be able to resume for a while. I don't feel short of affection or emotional support but I do feel short of friendly faces and casual conversations.

To quote the last slide of Pp Zony Reyes, "It has been a wonderful journey. Love has kept us together. We are not just friends - we are Family!"

Why Do You Love Being an RCWWD Member?

Onto the third week of August, the fun doesn't stop! Here's the third part of our member's responses to the question posed, "Why do you love being an RCWWD Member?"

"When I joined Rotary way back in 2002, it was for the main purpose of business networking. Being new in Davao City, it gave me an opportunity to connect with the business community. However, I found [that] being a Rotarian is not only about networking but more [about] serving the community. Through the years, my sisters in Rotary have been a source of inspiration in this exercise of volunteerism and selflessness. Most of all, the friendships I gained through personally getting to know these beautiful ladies with an even more amazing heart for OTHERS is what I love most. Thank you for all the wonderful years of love, friendship, dancing, singing, laughter[,] and tears. It is an honor and a joy to be a Waling-Waling Rotarian."

- *Treas. Maribel Chua*

Rotary Voices

"Despite being a new member, I've always been surrounded by the RCWWD members, whom I've all come to know as my *titas*. I've looked up to all of them ever since I can remember.

Throughout the years of spending time with the Waling-Waling ladies, I sense a community where nobody gets left behind or forgotten. I am proud to be a Waling-Waling Lady, because we do more than what we are told to do, and exceed our own limits. We strive to do our best."

- Rtn. Alessandra Könst

"Induction[s] [are] always a pretty event."

- PP Zony Reyes

"I love the joy I experience in our service projects."

- PP Vegloure Maguinsay

"I [am] motivate[d] [by] the leadership [of the] other members[.]. I can [also] show my skills and talent. I gain[ed] friendship from [the] other Rotarian members."

Members and Government Health Officials Use Boats to Reach Villages Deep in the Rainforest

written by Ryan Harland

Members of the Rotary Club of Demerara, Guyana, are using their decades of experience in fighting disease while delivering COVID-19 vaccines and aid to a remote region of the South American country. The Indigenous communities there would not otherwise have access to the vaccine and would remain vulnerable to the virus.

The club's members have conducted crucial medical expeditions that penetrate the densely forested interior of Guyana for nearly 30 years. In doing so, they've developed detailed knowledge of the area and the particular needs of the villages in it. The treks have earned the Demerara club a nickname among nearby Rotary clubs: "the bush club."

When COVID-19 vaccines became available early this year, the club quickly took action, relying on members' familiarity with the region to plan logistics and coordinate delivery efforts. Focusing on the primarily Indigenous villages of Muritaro and Malali, the club collaborated with the local Ministry of Health and the Civil Defence Commission to immunize villagers. The vaccination teams — made up of club members, doctors, and local nurses — reached the villages by boat, tracing an 8 km (5-mile) stretch of the Demerara River.

Bhageshwar Murli, 2020-21 president of the Demerara club, says that supporting the equitable distribution of COVID-19 vaccines to underserved communities was a natural fit for the club.

"Our club was highly motivated and excited to be involved in the particular effort, since it coincided with what we frequently do as a club," Murli says.

Rotary Voices

Because of pandemic travel restrictions, villagers couldn't go to nearby towns to buy food, clothing, medicine, and other basic necessities. So the club collected and distributed these items as part of the initiative.

The vaccination teams administered COVID-19 shots to 24 residents of Malali and 16 residents of Muritaro. The results may seem modest, but they were hard-won: Lancelot Khan, the club's service projects chair and the coordinator of the project, says that vaccine hesitancy is an obstacle in these communities.

Members of the Rotary Club of Demerara, Guyana, and government health officials use boats to vaccinate villagers deep in the country's rainforests.

The club had visited the region in March 2020, when COVID-19 was beginning to spread in South America, to deliver masks and hand sanitizer, Khan says. But it was also Rotary's historical work in the global effort to eradicate polio that proved to the villagers that it is committed to fighting disease. "Our linkage to these communities and history with our polio efforts gave residents the confidence that Rotary wouldn't leave them behind when COVID-19 vaccines became available," he says. "Rotary's global standing on polio was a big plus."

During the most recent trip, team members appealed to the village captains (residents who are elected to represent the communities) to be vaccinated. "The captains taking the vaccine showed the confidence necessary to convince others to take it as well," Khan says.

The team members distributed educational materials about the vaccine, explained its side effects, and answered residents' questions. They also showed photos of club members getting the shot to demonstrate its safety.

Rotary Voices

"Murli hopes his club's continued involvement in vaccination campaigns will boost the numbers of people who agree to get the shot.

We believe that a compelling picture is painted when it is seen that Rotarians are involved with COVID-19 vaccination drives," Murli says. "We think our efforts can engender an increase in vaccinations and trust."

**CORE VALUES: SERVICE • FELLOWSHIP
DIVERSITY • INTEGRITY • LEADERSHIP**

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

THE FOUR-WAY TEST

of the things we think, say or do

- Is it the **TRUTH?**
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS?**
- Will it be **BENEFICIAL** to all concerned

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
- Supporting the Environment
