*"The flower that blooms in adversity is the rarest and most beautiful of all."*  
- Emperor of China, Mulan

August is already coming to a close. Though the flowers that bloomed in spring and flourished in summer have had their time, the most persistent of all must be us. As the "flowers" that face adversity (the pandemic), we've always been moving towards a better future.

One of our proposed members, Sophiya Avisado, is ready to join our club. She will learn our ways and be ready to face any adversity that comes her way. I'm very proud of her, being her recruiter. Let us all be the flowers that bloom in adversity and show people what we've got.

Cheers!

**Rotary**  **Invocation**

*Dear God, we are not at all sure what tomorrow holds, but we are very sure who holds tomorrow. We thank you, Lord, for having called us to this community to live our lives and do our work for Rotary. Grant us the wisdom and the foresight to discern what is for our own betterment and the betterment of all mankind. Today, our new member shall be formally sworn into our club; thank you Lord for sending Sophiya. Thank you for our Rotary meeting. For everyone that puts something into it, and everyone that gets something out of it. We invoke your blessings on this meeting and all who grace it with their presence. Be with us this day and always by strengthening our belief in Service Above Self. Prosper our club and our heart for service.*

*Lastly, Lord, take good care of each and everyone of us including our loved ones, during this time of uncertainty. You are our refuge, You are our strength, You are our hope.  
Amen.*

Waling-Waling (Davao)

When I started hearing about COVID-19, I didn't care much because it all seemed like some dream far away. Soon, I heard stories of people suffering and dying, and the virus did not spare my family. I thought wearing masks and following other safety measures would keep us from contracting the virus, but I was wrong. My brother, son, daughter-in-law, two nieces, and a house helper got infected with the virus.

Our government's response to COVID-19 has been one of the longest and strictest lockdowns: Lockdowned provinces and cities; restricted mobility; and strictly enforced social distancing, together with wearing masks.

This pandemic has ushered in a new era of vaccine research. Creating a vaccine in under one year is no small feat. However, it is only effective if people are willing to receive it. Many are reluctant to take the vaccine due to some apprehension over its safety and effectiveness.

Vaccination is the only way to end this pandemic. Because of this, the Rotary Clubs of Davao City, in collaboration with the City Government and the PNP, conducted a successful vaccination for the dependents and employees of Rotarians at Camp Camp Catitipan last August 18 and 19, 2021, by administering almost 1,000 doses.

As Rotarians, we will continue to explore how we can use our services and expertise to support the vaccine roll-out. The time to act is now.

## WHY DO YOU LOVE BEING AN RCWWD MEMBER?

Our project is now coming to an end. Here's the last part of our little gimmick for this month:

I am privileged to have become a member of RCWWD. I feel a sense of responsibility for sustaining and living up to the challenges of our Club as a club officer.  
And another point worth mentioning is we are able to deal with the diversity of all the members including disagreements and arguments about what our responsibilities calls us to do.

## GORDON R. MCINALLY OF SCOTLAND SELECTED TO BE 2023-24 ROTARY INTERNATIONAL PRESIDENT

written by Ryan Harland

Gordon R. McNally, a member of the Rotary Club of South Queensferry, Lothian, Scotland, is the selection of the Nominating Committee for President of Rotary International for 2023-24. He will be declared the president-nominee on 1 October if no challenging candidates have been suggested.

McNally lauded Rotary's ability to adapt technologically during the COVID-19 pandemic, saying the approach should continue and be combined with the best of our past practices as Rotary seeks to grow and increase engagement.

"We have learned there is a willingness within communities to care for one another," he says, "and we must ensure that we encourage people who have recently embraced the concept of volunteering to join us to allow them to continue giving service."

McNally says that senior leaders' ability to communicate directly with club members online will be one positive legacy of the changes Rotary has had to make. But, he adds, "face-to-face meetings remain important, as they encourage greater interaction."

The best way to increase membership is engagement, according to McNally. To better support clubs, he says, Rotary International, regional leaders, and district teams all need to engage with them. Engagement through social media will reinforce Rotary's brand and showcase the opportunities that come with it. And, he says, engagement with governments, corporations, and other organizations will lead to meaningful partnerships.

*Gordon R. McNally, a member of the Rotary Club of South Queensferry, Lothian, Scotland, is the selection of the Nominating Committee for President of Rotary International for 2023-24.*

# Rotary Voices

With better engagement, McNally says, "We will grow Rotary both by way of membership and in our ability to provide meaningful service."

He adds, "Membership is the lifeblood of our organization. I would encourage the use of the flexibility now available to establish new-style clubs that would appeal to a different demographic."

McNally, a graduate of dental surgery at the University of Dundee, owned and operated his own dental practice in Edinburgh. He was the chair of the East of Scotland branch of the British Paedodontic Society and has held various academic positions. He has also served as a Presbytery elder, chair of Queensferry Parish Congregational Board, and commissioner to the church's general assembly.

A Rotary member since 1984, McNally has been president and vice president of Rotary International in Great Britain and Ireland. He has also served Rotary International as a director and as member or chair of several committees. He is currently an adviser to the 2022 Houston Convention Committee and chair of the Operations Review Committee.

McNally and his wife, Heather, are Major Donors and Benefactors of The Rotary Foundation. They are also members of the Bequest Society.

To learn more about McNally, read his interview and vision statement, which outline his goals for Rotary.

The members of the Nominating Committee for the 2023-24 President of Rotary International are: Gérard Allonneau, Parthenay, France; Ann-Britt Åsebol, Falun-Kopparvågen, Sweden; Basker Chockalingam, Karur, Tamil Nadu, India; Corneliu Dincă, Craiova, Romania; Celia Cruz de Giay, Arrecifes, Buenos Aires, Argentina; Mary Beth Growney Selene, Madison West Towne-Middleton, Wisconsin, USA; Jackson S.L. The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
- Supporting the Environment
