**"August slipped away into a moment in time."**  
- Taylor Swift, August

It feels as though August was a blur, and yet so much had already happened. But, it does not do us any good to dwell on the past, so let's keep moving forward.

The -ber months have now begun! Shopping malls everywhere will surely be playing Jose Mari Chan's beloved Christmas songs.

As we enter the month of September, let us still remember all the good, as well as the bad. While we shouldn't dwell on the past, it's always nice to visit it every once in a while. We just have to remember that whatever remains in the past, remains. Let us all be more present, while still hoping for a better future.

Cheers!

Pres. Jannette Valderosa

*O God! The Holy Spirit, you create all that moves in light.  
Focus your light within us — make it useful: as the rays of a beacon show the way.  
Let Your will come true – in heaven just as on earth  
Give us wisdom in bread and insight for our daily need.  
Forgive our hidden past, the secret shames, as we consistently forgive what others hide.  
Let us not be lost in superficial things, but let us be freed from that what keeps us off from our true purpose.  
From You comes the all-working will, the lively strength to act, the song that beautifies all and renews itself from age to age.  
Amen.*

# PRESIDENT'S TILLAGE

## PRES. JANETTE VALDEROSA

Despite the difficulties and challenges, we continue to come together to give much-needed assistance to our different communities. Last Saturday, August 28, 2021, 7 members of our Club went to Sitio Magwawa in Marilog to provide school supplies, bags, slippers, and nutritious meals to more than 50 daycare children. We also held an orientation for our prospect members in creating an Interact Club. We were able to conduct training on making chips out of banana, sweet potato, and cassava for a group of women.

Many families in Sitio Magwawa had a hard time sending their children to school. There just weren't enough resources to go around.

But we thought of the simple things that anyone can do to help these low-income and poor children have the same opportunities as everyone else.

**ANYONE CAN BE  
ANYTHING THEY WANT  
AND MAKE A DIFFERENCE  
IN THE WORLD.**

I remember being a child and the excitement I felt about a new pack of crayons or a set of pens, something all children should experience in their learning journey. A single box of pencils and crayons and sheets of paper could be the gateway to a bright and promising career. Anyone can be anything they want and make a difference in the world.

## NEW MEMBER'S RESPONSE

In life, most people live not knowing what their purpose is. Some find out late in life, but only a few get to fulfill their purpose.

At an early age, I realized that my true purpose is serving others. Be it by studying the law, by being there for my family and friends when they need me, or simply by doing my part in helping people in need.

I always try to fulfill my purpose, but one person can only do so much. This is why I wanted to have a platform wherein I could be an instrument in making people's lives better. I wanted to partner and work with people who have the same desire, passion, and zealously to help.

With RCWWD, I believe I have found that avenue. With our collective efforts, we can do MORE and we can effect greater change.

Thus, I would like to take this opportunity to thank the following people, who have made my journey of being a Waling-Waling Lady, such a memorable one:

First, I would like to show my heartfelt gratitude to PP Lorna for her generosity and hospitality. Thank you for inviting Alex and I to your lovely home and for being such a great host.

Second, I am also grateful to President Jaja, PE/Dir. Vanessa, PP Remie, PP Lorna, and Dir. Myriam, for facilitating my orientation and induction and for explaining to me what Rotary Club is all about.

Last, but definitely not the least, I would also like to thank Rtn. Alex, for inviting me to RCWWD and to everyone for making me feel welcome since day dot. From the bottom of my heart, thank you very much.

I am greatly privileged and deeply honored to be part of this prestigious organization. May we continue to work hand in hand in making this world a better place.

Ad Majorem Dei Gloriam!

## AFRICAN REGION MARKS ONE YEAR SINCE BEING CERTIFIED WILD POLIO-FREE

WRITTEN BY RYAN HARLAND

Rotary joined its partners in the Global Polio Eradication Initiative (GPEI) to mark the first anniversary of a historic public health milestone: the World Health Organization's African region being certified free of wild polio.

The anniversary was celebrated on 25 August during a WHO Regional Committee for Africa meeting, which also addressed current challenges to eradicating polio and new tactics to achieve a polio-free world.

Africa's milestone has already benefited children's health and public health across the continent. The infrastructure and innovations that helped the African region become free of wild polio are playing an important role in the COVID-19 pandemic response and are available to use in future public health emergencies. Polio workers also now conduct other routine immunizations, deliver medicines, and provide other health care services.

The achievement in Africa is the result of a decades-long effort by millions of Rotary members, health workers, government officials, religious leaders, and parents. Since 1996, when wild polio paralyzed an estimated 75,000 children across Africa, health workers have administered more than 9 billion doses of oral vaccine, preventing 1.8 million wild polio cases.

Rotary members have contributed nearly \$920 million toward eradicating the virus in the region, advocated for support from their governments, mobilized communities around National Immunization Days, and conducted events to raise funds and public awareness.

# ROTARY VOICES

Five of the WHO's six regions, representing more than 90% of the world's population, are now free of the wild poliovirus.

Africa's success in eliminating wild polio proves that the virus can be eliminated under complex circumstances and provides a blueprint for eradicating wild polio in the last two countries where it's endemic: Afghanistan and Pakistan.

Dr. Tunji Funsho, chair of Rotary's Nigeria PolioPlus Committee, says the certification of the African region is a monumental public health achievement, but the ultimate goal of global eradication remains. "Our job is not done," says Funsho, a member of the Rotary Club of Lekki Phase 1, Nigeria. "Africa still has a vital role to play in ending polio globally and must continue to reach children everywhere with polio vaccines."

"We also face a final hurdle in ridding Africa of all forms of polio," he adds, citing outbreaks of the circulating vaccine-derived poliovirus type 2 (cVDPV2) variant. These outbreaks, he says, "continue to harm under-immunized communities across the region and paralyze children."

Health officials confirmed 609 cases of cVDPV2 across 20 countries in Africa in 2020, a sharp increase from a year earlier. One factor in the increase in polio transmission was the unprecedented pause in polio vaccination campaigns from March through July 2020 in more than 30 countries in order to protect communities from COVID-19. According to the WHO and UNICEF, 23 million children missed out on basic vaccines in 2020, including polio vaccinations.

Although the African region's anniversary is evidence of what can be achieved, the two countries where wild polio remains endemic are evidence that as long as polio exists anywhere, it is a threat everywhere.

# ROTARY VOICES

The GPEI's new 2022-26 polio eradication strategy aims to overcome the remaining hurdles and finish the job by introducing innovative tools and tactics to reach more children with vaccines. The strategy includes the broadening distribution of a new vaccine to address outbreaks of cVDPV2. This novel oral polio vaccine type 2 (nOPV2) protects children against polio while being more genetically stable and less likely to regain strength and cause the vaccine-derived polio. It has already been introduced in several African countries, including Benin, Chad, Liberia, Niger, Nigeria, the Republic of Congo, and Sierra Leone.

The new strategy will expand the regional rapid response teams that quickly start work in areas with outbreaks. Health workers will also have more access to electronic surveillance technologies, which expedite the detection of cVDPV2.

The program will broaden an initiative that has helped more than 250,000 health workers access digital payments for their work in as little as two days. And the program calls for digitization with real-time data and automated dashboards that will help health workers plan more effective campaigns.

**CORE VALUES: SERVICE • FELLOWSHIP  
DIVERSITY • INTEGRITY • LEADERSHIP**

## ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

### THE FOUR-WAY TEST

of the things we think, say or do

- Is it the **TRUTH?**
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS?**
- Will it be **BENEFICIAL** to all concerned

### THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
- Supporting the Environment
