The month of thrill and spookiness is here! October has finally arrived, and though we can't celebrate Halloween with events such as Trick-o-Treat or costume parties because of the pandemic, we can still celebrate Hallow's Eve in the comfort of our homes in our own little ways.

This month's theme is Economic and Community Development. A new theme entails even more projects in store! I can't wait for them to be implemented and to attend some of them.

Let's all celebrate this "eerie" month in our own ways, the "Rotary" way - with community service, volunteerism, and a "thrill" in our hearts. Boo!

Cheers!

Waling-Waling (Davao)  
**Rotary**  
Club

Once a year, the District Governor makes an official visit to each Club in the District. Last Thursday was a special day for our Club as we had our Governor's Visit, with DG Anna Louisa Abanaes-Bumagat, Spouse Troy, and several dignitaries from the District.

As required, we reported our Plans and Programs and the Club's accomplishments for the first quarter of this Rotary Year. I was amazed by all the service projects we had done in the last 3 months. That was when I started to appreciate the beauty of having plans for the direction that we would like our Club to take.

**PRES. JANNETTE  
VALDEROSA**  
*Club President*

*"That was when I started to appreciate the beauty of having plans for the direction that we would like our Club to take.*

We take the time to brainstorm and write our goals down to create great plans. And we need to actively check and test our goals to discover what direction we're going into. We should also anticipate that there are times our journey suddenly becomes difficult. But, having a plan may show us how to get somewhere. Having a program is like having a personal guide that will keep us on the course throughout our journey.

Plans have value. Programs have little value without good plans to get them started right.

# BTS' JIMIN DONATES 100 MILLION KOREAN WON TO ERADICATE POLIO

SEOUL, South Korea: Sept. 23, 2021 – Jimin, a member of K-pop boy band BTS, is supporting the eradication of polio, a devastating vaccine-preventable disease that once paralyzed 1,000 children every single day.

Jimin's donation of 100 million won (\$88,000) to Rotary's polio eradication program, will protect children in countries where the disease is still a threat.

"Thanks to the effort of Rotary and so many people, polio is coming to an end on this planet," Jimin said. "I wanted to join this historic moment to make sure no child suffers from polio."

Polio cases have been reduced by 99.9 percent over the past three decades, thanks to the efforts of Rotary, the World Health Organization (WHO), UNICEF, the U.S. Centers for Disease Control and Prevention, the Bill & Melinda Gates Foundation, and Gavi, the Vaccine Alliance. Today just two countries, Afghanistan and Pakistan, continue to report cases of wild polio, and Jimin's donation brings the effort one step closer to a polio-free world.

"We expect the donation by Jimin, a member of the world's most beloved boyband BTS, will increase the global interest in polio eradication," said Rotary International District 3590 (South Korea) Governor Im-Sook Kim. "Rotary will keep the commitment of Jimin and other supporters in its heart and make every effort to ensure that no child ever suffers from polio."

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## **ROTARY'S SEVEN AREAS OF FOCUS**

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
- Supporting the Environment
