# A LETTER FROM THE EDITOR-IN- CHIEF

**MA. ALESSANDRA  
ELISABETH KÖNST**

Adviser for the Rotaract Club  
of Waling-Waling Davao .  
Membership Committee  
Member

Sometimes, life doesn't always go as planned. It doesn't mean that it's a failed life, but a moment of attempting again. It's another shot at getting back up on our two feet and standing up again from the hole we fell in.

As the tides roll over and recede into the ocean from the shore, let us find the peace we always seek, even though we go back and forth. Two steps forward, one step back, a pace many of us are unfamiliar with, as we all are more used to one step forward, two steps back. May we find the pace we are more unfamiliar with, but which will set us on our path.

Cheers!

Loving and merciful Father,  
You have brought us all together in Rotary for a common goal - Service Above Self.  
As we continue to pursue our projects and other activities for this Rotary Year, infuse in each one of us the spirit of understanding, forbearance and affection. Instill in us self-respect so we may respect others. Purify our hearts and guard us against the dangers of pride and self-conceit. Help us to work in peace and harmony with one another so that together, we can make a difference in other people's lives.  
All this we ask in your holy name..  
AMEN

SERVE TO CHANGE LIVES

Several members and I visited the family farm of the Vilelas in Tacunan last October 16, 2021, to plant trees as a project. It was very enlightening and fascinating.

Before the activity, I never really considered the factors that went into the tree planting process, that there was so much to know before planting a tree than one might think. I learned of it through the orientation given by Honorary Member Dave Vilela before we began our activity and discussed site suitability, tree species, preparing the ground, properly planting the tree, and, of course, future maintenance and care.

Planting more trees helps to restore lost forests and repair damaged ecosystems. What we did was just one step to continuing global reforestation efforts.

Without trees, we humans would not exist on this beautiful planet. We must plant trees instead of cutting them because trees are essential to life as we know it. Trees are our breath, our life, and the future of the next generation.

Let's make the earth a greener and cleaner planet. Every tree we plant is a breath of life.

A handwritten signature in blue ink, appearing to read "Jannette Valderosa".

# ROTARY VOICES

## **Kiwanis, Lions, Optimist, Rotary, Join for Week of Service to Celebrate Community**

**EVANSTON, ILL.: October 7, 2021** – Celebrate Community, a joint initiative of the four major volunteer service organizations, will launch this year with a focus on local community service during the week of October 10 to 16.

The organizations – Kiwanis International, Lions Clubs International, Optimist International, and Rotary International – have collaborated during the past 18 months to share ideas on future collaborations. This first public effort encourages clubs to reach out to one another to work together on projects that improve and benefit local communities.

“All of our organizations serve our communities to change lives. We must ensure that our various clubs identify a local need and work together to provide the service to fulfill that need,” said Shekhar Mehta, President, Rotary International.

“We have so many common goals and objectives,” said Peter Mancuso, 2021-22 Kiwanis International president. “The Celebrate Community initiative is one way to join together to work on a project that will have a measurable impact on communities around the world.”

“We can help the world recover in this time of need when many are still struggling,” said Douglas X. Alexander, International President for Lions Clubs International. “If we let our passion for service shine through, there is absolutely nothing we can’t accomplish together.”

Patsy Garner, 2021-2022 Optimist International President, supports the effort to encourage all service clubs working together to help their communities. “Now, more than ever, collaboration is needed. Resources can be scarce and a joint effort could make a far greater impact in our communities than a single act.”

Clubs are encouraged to work together on projects such as health and wellness, food insecurity and hunger, education and literacy and environmental projects. Efforts could include community cleanups, food donations and distributions, walks or runs to raise money for specific causes and collecting books to help children build personal libraries. Clubs should follow all local guidelines for meetings and gatherings. Clubs that involve youth participants should follow organizational youth protection guidelines.

All four of the leaders said this initial effort is a springboard to the future – they envision an annual project in which all the clubs around the world collaborate and bring their youth clubs along, too. The joint project also allows community members who are serving in different clubs to learn more about each other, their organizations and their combined efforts to help children and adults who are challenged by environmental or financial difficulties.

## ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

### THE FOUR-WAY TEST

of the things we think, say or do

- Is it the **TRUTH?**
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS?**
- Will it be **BENEFICIAL** to all concerned

### THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
- Supporting the Environment
