A Letter from the Editor-in-Chief

For this week's meeting, it's a short and simple one. Our president will be discussing a few things, which I think everyone should be present for.

Aside from this, I'm sure everyone had a fun time last week with a mood breaker and games. I'm sure the winners are happy with their prizes!

Cheers!

A survey shows that if we only engage on our weekly meetings there will be times that our attendance will be at an all-time low. One way to break the monotony is to have fellowship or camaraderie . And that's exactly what we did last Thursday courtesy of the weekly host, the Pathfinders group. We had games, made joke and had fun.

Camaraderie is more than just having fun, though. It is also about creating a common sense of purpose and the mentality that we are in-it together. It promotes a group loyalty that results in a shared commitment and discipline toward our club activities. It can also form a strong social support network for each other.

There are also downsides in a civic organization. Surely, there can be bumps: professional jealousy, groupthink, split loyalties and broken friendships . However, these are all manageable and the benefits of positive relationships far outweigh any negative outcomes.

Rotary Statement on Wild Polio Case in Malawi

As a result of ongoing disease surveillance, the Global Polio Eradication Initiative (GPEI) has confirmed a case of type 1 wild poliovirus (WPV1) in a child suffering from paralysis in Malawi. Analysis has shown the virus is genetically linked to WPV1 that had circulated in Pakistan's Sindh province.

The GPEI is supporting health authorities in Malawi to conduct a thorough assessment of the situation and begin urgent immunization activities to mitigate any risk of spread. Environmental surveillance measures are also being expanded in Malawi and neighboring countries to detect any other potential cases.

Detection of WPV1 outside the world's two remaining endemic countries of Pakistan and Afghanistan is a serious concern and underscores the importance of prioritizing polio immunization activities in countries such as Malawi to prevent future instances of importation. Rotary has continued strong financial support to Africa since the most recent previous case in Nigeria. During the last two years, 54% of the Rotary PolioPlus budget has supported disease surveillance, outbreak response, the purchase of vaccines and operational expenses throughout Africa.

While the news from Malawi is disappointing, the polio program has seen importations from endemic countries to regions that have been certified wild polio-free in the past, and has moved quickly to successfully stop transmission of the virus in these areas. As an imported case from Pakistan, this detection of WPV in Malawi does not affect the WHO African region's wild polio-free certification status.

In the more than three decades since Rotary launched its PolioPlus program and formed the GPEI, we have repeatedly stressed that polio anywhere is a threat to children everywhere. The case in Malawi imported from Pakistan underscores the importance of that statement. Now is the time for all parties – Rotary members, communities, government leaders, and global partners – to recommit to ending all forms of polio for good. As Rotary members, it is critical that we ramp up our efforts to raise awareness for the importance of reaching all children with polio vaccines, and continue raising the funds necessary to carry out critical eradication activities to protect vulnerable children and prevent further outbreaks.

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

THE FOUR-WAY TEST

of the things we think, say or do

- Is it the **TRUTH?**
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS?**
- Will it be **BENEFICIAL** to all concerned

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
- Supporting the Environment
