For this week's meeting, we'll be having our LAHFI general assembly once again, as we were unable to meet the least number of members to attend, which was at least 21 members. I'm hoping all of us can attend, so that our LAHFI general assembly can push through.

On another matter, let us pray for the eternal repose of one of our members, who passed away before we could say goodbye to her. I hope she is happy and well. See you on the other side, Rtn. Evelyn Ong.

PRESIDENT'S TILLAGE

Pres. Jannette
Valderosa
Club President

This year's RYLA was a testament to young people's extraordinary engagement for the Rotary Youth Leadership Awards. With over 65 participants from the different clubs of District 3860, it was truly remarkable.

This year's theme, "Together, we CAN (Collaborate, Adapt, Navigate)" was an excellent opportunity to open doors and engage meaningfully. We had a "Meet and Greet" the other Saturday. Over the weekend, we focused on understanding different issues that concerned the youth. Last Saturday, we witnessed the Extemporaneous Speaking Competition, which was very valuable in understanding what matters to youth, their aspirations, thoughts, and ideas about relevant issues that may directly or indirectly affect them.

While many love to talk about young people as the future and the next generation, it overlooks the incredible skill and talent the youth represent now. RYLA is about giving the youth the space and additional support to unleash their generation's potential. It is about helping them to connect, share and learn from their different successes and challenges.

I hope that our participants can sustain the energy and momentum generated during their seminar. They have the greatest role in maintaining that momentum. They should continue connecting with, learning from, and supporting from each other in the months and years ahead.

RYLA 2022

RYLA is an intensive leadership programme organized annually by Rotary Clubs to promote, develop, and strengthen leadership potential through activities and workshops around a variety of topics. The RYLA experience provides an environment in which young people can develop their leadership, teamwork, and communication skills-some participants referred to the experience as "the week that changed my life."

My salute to RYLA District Training Team headed by no less Life Changing, inspiring, very active and energetic District Governor Anna Louisa Bumagat, for crafting this year's RYLA Theme: Together, We C.A.N.(Collaborate, Adapt, Navigate). Thank you for the opportunity given the RCWWD and RAC-WWD for hosting RYLA 2022.

Congratulations to RYLA District Chair PP Mae Dolendo, members of the Ryla Training Team, AG/PP Gigi Espiritu, New Generations Chair Muriel "tak tak" Corvera-Si, District Rotaract Chair Bolyn Puno, Assistant Public Image Chair(Mindanao) PP Baby Tan Vilela, and GML Editor Arnold "Bong" Nicolas. Thank you to all the members of RCWWD working committee headed by Club Pres. Jaja Valderosa and PP Evangeline C. Schwendener for the beautiful RYLA 2022 souvenir program, and to all our generous donors and sponsors.

Our gratitude to all our esteemed speakers for sharing their time, knowledge, and expertise in molding the youth. We thank the 67 youth participants for taking part and engaging themselves in all the activities. I hope you had fun and found new friends!

Thank you to all the people behind RYLA 2022, for giving their best, investing so much time, and strength in planning and putting all the activities in place. May the learnings and insights that we have gained during the seminar be put to great use and help us to be equipped with the skills as we face the challenges of tomorrow.

Big shout out to the fantastic DCWD Tech Team and to PP Malou Jacinto, thank you so much.

ROTARY VOICES

STRENGTHS IN TIMES OF CRISIS IN UKRAINE

Ukraine is an agricultural powerhouse and a country of significant technological and strategic importance, but it has had a turbulent history. The buildup to the Russia-Ukraine war that began in February preoccupied many members of Rotary around the world, who worried about the future of Rotary within Europe's second-largest country.

Yet amid this turmoil, Rotary members in Ukraine continue to demonstrate resilience and an unwavering commitment to peace. To learn more about Rotary's circuitous journey in Ukraine over the past decade, Rotary Magazin for Germany and Austria compiled this report. As the war is raging throughout the country, we'll bring you updates about Rotary's situation there and how Rotary clubs around the globe are pitching in to help with Ukrainian refugees.

A Look Back - and Toward the Future (Rotariets)

Let Rotariets provide our readers some background information about Rotary in Ukraine. The first Rotary clubs within the current borders of Ukraine were chartered in the 1930s in the cities of Uzhgorod, Chernivtsi, and Lviv. During World War II, Rotary clubs disbanded in territories under conflict, and clubs were forcibly dissolved during the Cold War in countries under Communist rule.

After the collapse of the USSR, several clubs in Europe and North America sought to reestablish Rotary's presence in the former Soviet countries. Lubomyr "Lu" Hewko, the father of John Hewko, Rotary International's CEO and general secretary, played an important role. Lu's family fled Ukraine during World War II, and years later, as president of the Rotary Club of Clarkston, Michigan, he organized several Rotary projects: delivering medical equipment to Ukrainian hospitals, assisting the victims of the Chernobyl nuclear disaster, and recruiting doctors to perform eye surgeries for the needy. After Ukraine declared its independence in 1991, Lu helped to charter the first Rotary club in the capital, Kyiv. John Hewko is a charter member.

In the early 1990s, Ukraine was part of District 1420, along with all the clubs in the former USSR, as well as some in Finland. Other district affiliations followed, until finally, in November 1999, RI decided to integrate Ukraine and Belarus with Poland in District 2230. This came to fruition on 1 July 2000. With the steady growth of Rotary in these three countries, the district was split into Districts 2231 (Poland) and 2232 (Ukraine, Belarus) in July 2016.

Russia's annexation of Crimea in 2014 and the armed conflict in the Donetsk and Luhansk regions (collectively known as the Donbas) have hindered Rotary's development in Ukraine. In 2013, there were seven Rotary clubs (with a combined total of about 110 members) in Crimea and the now-occupied areas of the Donbas. Only two clubs remain, and both are in Crimea: the Rotary Club of Simferopol and the Rotary Club of Alushta. They have a total of 14 members.

In the rest of Ukraine, however, Rotary is undergoing robust growth on the strength of an influx of members who have joined since the beginning of that conflict. The national impulse to engage in humanitarian work and disaster assistance remains strong in Ukraine. Since 2014, Rotary has grown from 49 to 62 clubs, with an additional six satellite clubs. Membership has increased from 800 to 1,100 — and members of Rotary in Ukraine are very optimistic about the organization's continued growth.

A Virtual Club (Tetiana Godok)

My history with Rotary began when I was a senior in high school. The newly formed Rotaract Club of Yalta ambitiously set out to establish an Interact club, and I was fortunate enough to be a part of it. I didn't know much about Rotary, and the complex club organization befuddled me at first. But over several months, we visited Interact clubs in Kharkiv and Cherkasy, and I came to learn more about Rotary and gradually immersed myself in the ideas and values of this service organization. With strong convictions about the role I might play, I joined the Rotaract Club of Yalta, serving as president and treasurer, and set a goal to get to know Rotaract all over Europe.

Until the annexation of Crimea, I had a very active and rewarding Rotaract career: I often traveled to Rotaract Europe Meetings (REM) across Europe, to Rotary Youth Leadership Awards events in Turkey, to Portugal in western Europe, and all over Ukraine, countless

ROTARY VOICES

times, for conferences, for seminars, or just to visit Rotaract friends. We gladly and proudly hosted all-Ukrainian and district events in Yalta.

Unfortunately, the annexation forced many Rotaractors and Rotarians to flee the turmoil and conflict on the peninsula, where it had become impossible to conduct our normal service duties. I moved to Lviv in western Ukraine, but the emotional trauma from the migration was such that it took me a long time to settle down and integrate into my new life. The good news was that a Rotary e-club had been established in Ukraine, enabling former Crimean residents and Rotarians from other occupied territories to continue to be part of Rotary. The mutual support was enormously helpful, especially in the early days.

I later moved to the United States, first to New York City, where I studied biology, and then to Philadelphia to work in a research lab. Fortunately, the virtual club has allowed me to remain a Rotarian regardless of where I live, although accommodating members from the different time zones can be tough.

It is good that our club has enriched itself over the years with new members from all over Ukraine. Last year, I was elected club president for 2022-23. I am very grateful for the trust placed in me and look forward to presiding over our first meeting. I definitely want it to take place “virtually” against a backdrop image of the Yalta Mountains in Crimea, which is — and always will be — my home.

In the Spirit of Peace (Yulia Zharikova)

The history of the Rotary Club of Kyiv Advance began at the end of 2013, when several like-minded people formed the Rotary Club of Donetsk Advance. We were united by the idea of community service and our passion for art and music. The club supported young talents and devoted its energies to the development of educational programs in the city.

In 2014, after the outbreak of military conflict in eastern Ukraine, many members of our club fled to different parts of the country and even abroad. Subsequently, four club members who had moved to Kyiv decided to resume our club activities under the name Rotary Club of Donetsk Advance. Four other members who had ended up abroad or remained in Donetsk subsequently decided to keep their membership as well. So, we retained eight members.

In 2020, our club officially changed its name to Rotary Club of Kyiv Advance in accordance with the policies of Rotary International. Since relocating to Kyiv, our club has attracted many new members and even received an award from the District 2232 governor for adding the most new members in the 2019-20 Rotary year.

Given our experience from the conflict in eastern Ukraine, we have made peacebuilding and conflict prevention a main focus of our community projects. One such project, running since 2017, offers training to various groups to promote dialogue toward reconciliation at multiple levels of Ukrainian society. In addition, for the past five years, club members have been involved in a large international project for the psychological rehabilitation of children affected by war and military conflict in the east.

Rotary Transcends Borders (Mykola & Olga Stebljanko)

Our Rotary life began in 1996, when we joined what would become the first Rotaract club in Crimea: the Rotaract Club of Simferopol. Since then, Rotary has been an integral part of our lives. Our 10-year Rotaract past has become a classic example of young leadership development that creates the conditions for a natural transition into the ranks of Rotarians.

In 2007, I became the editor of the official Rotary publication, Rotariets, in Ukraine and Belarus. Since 2011, Olga has supported the production of the digital version.

I was president of my club in 2013-14, but when the Crimean Peninsula was annexed during my term, we had to move to Odesa. To continue our Rotary activities, we established the Rotary E-Club of Ukraine. This type of club, which was fairly new then, helped us and other Rotarians from Crimea and the Donbas keep our Rotary ties and sustain our community. Our club brings together people scattered across thousands of miles. I was elected District 2232 governor for 2019-20 and now serve as a Rotary public image coordinator at the zone level. Olga chaired the District Scholarship Subcommittee for two years, and the District Rotary Youth Exchange Committee since 2018. Together, we continue publishing Rotariets and providing virtual Rotary events in District 2232 and Zone 21.

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

THE FOUR-WAY TEST

of the things we think, say or do

- Is it the **TRUTH?**
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS?**
- Will it be **BENEFICIAL** to all concerned

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
- Supporting the Environment
