I haven't been able to get over how the Philippine Elections 2022 turned out. So far, about 98.35% of the votes have been counted since May 13, 2022 (according to the COMELEC Transparency Media from the GMA Network website), and looking at the results, there's no doubt who our 17th president will be. I only hope that they will be able to have the heart to aid the Philippines, not turn back on their promises, keep an open mind, and "work their hands" to make the Philippines better.

Cheers!

We praise, honor and give glory to you our Heavenly Father who bestows Your grace upon this meeting. As we enjoy our fellowship, may we feel your loving presence. May we grow in stature that is rooted in you, so that we may be able be of service more to our friends, our fellow Rotarians, and the community that we serve.

We thank you for the ideas and ideals, for the continuous blessings that enable us to bless others and for the friends who have become family in Rotary. In His name we pray.

Amen.

SERVE TO CHANGE LIVES

With a record-breaking 65.7 million registered voters, we held one of the largest elections in Asia Last May 9, 2022, even as the COVID-19 pandemic stretches into its third year and we are not out of the woods yet. It was one of the most hotly contested votes in recent Philippine history.

More Filipinos vote during presidential elections every six years than in the midterm elections, which are conducted every three years. Emotions are much more different when it's a presidential election.

Everyone went to vote as early as possible on that day. There was crowding at first, but it was handled well by the poll watchers. It was like a reunion for some of us as we were able to see faces we haven't seen in a long time.

Our incoming president will have to deal with the great economic fallout from Covid 19 and will have to draw up a strategy for emerging from the pandemic.

## *Rotary's Network Enables Rapid Humanitarian Relief for Ukrainian Refugees*

Contributors: Kim Widlicki and Claudia Brunner

The war in Ukraine is having devastating consequences on civilians as families flee their homes. According to the United Nations, more than 5 million people, most of them women and children, have sought refuge in neighboring countries and across Europe, while about 7 million more people have been displaced within Ukraine.

Rotary and Rotaract clubs in Europe and around the world have taken swift action and are working with members nearby to provide food, water, medical equipment, and shelter for refugees.

Because of our generous donors, The Rotary Foundation has received more than \$14.4 million in contributions that will be prioritized for disaster response grants.

Below are some of the latest projects as of 20 April:

### **Ukrainian Rotary clubs take action**

- The Rotary Club of Cherkasy purchased and delivered medical supplies and medicine to multiple local hospitals. The club has also organized daily meals for 250 evacuated families from Sumy, Herson, Kharkiv, and Chernihiv.
- Some members of the Rotary Club of Kharkiv International have traveled to border countries to help refugees adapt to their new situations. Members are also working, through their project Yellow Help, to evacuate families near war zones.
- Club members of the Rotary Club of Kyiv Synergy collected 350 boxes of medical supplies from Italy and distributed them to areas in Kyiv and Sumy.
- The Rotary Club of Kyiv-Sophia are preparing and delivering hot meals to residents of Kyiv and Irpen-Bucha. Members have purchased and delivered hygiene products and medicine to young mothers and the elderly.
- Members of the Rotary Club of Lviv are unloading and organizing relief aid from European countries, then facilitating delivery to several humanitarian hubs across the country.
- Clubs in Rotary District 2231 (Poland) are using a \$50,000 disaster response grant to provide transportation, accommodations, food, and medical assistance for refugees who crossed the border from Ukraine.

**CORE VALUES: SERVICE • FELLOWSHIP  
DIVERSITY • INTEGRITY • LEADERSHIP**

## ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

### THE FOUR-WAY TEST

of the things we think, say or do

- Is it the **TRUTH?**
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS?**
- Will it be **BENEFICIAL** to all concerned

### THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
- Supporting the Environment
