## It's August - this means it's Membership and Extension Month!

We're already so busy for the month!

We have PP D'Arcy Walsh visiting all the way from the Rotary Club of Adelaide, whom we'll be meeting on August 18, 2022 during our regular meeting!

Our Membership Director, Dir. Sophiya Avisado (and fellow member of the Editorial Board!) is still hard at work looking for prospective members and has found more, who I think would be great additions to our Club.

Our DEI Director, Dir. Vida Könst, will also be presenting how we can be diverse, equal, and inclusive during our meetings.

I can't wait for what we have planned for this month!

Cheers!

# PRESIDENT'S UNDERWRITING

Time flies as we welcome the second month of RY 2022-2023!

Opening this month of August, we'll have our 4th Regular Meeting this Thursday, 4th of August, 2022. We'll also be having our face-to-face Public Image Seminar this 6th of August, 2022 for a whole day at the Ritz Garden Oases. am excited to be joining this weekend event with our Club Sec. Emmanouelle Zhang, Public Image Dir. Alessandra Könst, PP Janette Valderosa, PP Maribel Vilela, PP Ma. Luisa Jacinto, PP Evangeline Schwendener, and PAG Armi Geralyn Espiritu.

Prime yourselves, Ladies, as our meetings this month are going to have festive moods! The Davao City Government is eyeing this year's Kadayawan Festival celebration as face-to-face as well, after more than two years of being under the COVID-19 pandemic.

This is coupled with the visit of RC Adelaide's D'Arcy Walsh, who is arriving on the 15th of August, 2022, and will be celebrating with us for the entire duration of the Kadayawan Festival.

We are anticipating an influx of out-of-town visitors in Davao, so let us be guarded and maintain safety and hygiene protocols still.

Thank you once again for a momentous month of July as we caught up with numerous face-to-face activities, RCWWD!!!

I am **IMAGINING** our Coordination Committee Meetings for the upcoming Membership Seminar that we are hosting for AREAS 2A, 2B, 2C this coming September to be fun-filled and further strengthening our bond as Rotarians while keeping in mind our advocacy in serving the community.

What an exciting month again for all of us , Ladies!

**Pres. Vanessa Madayag**  
Club President

As we support our members for Membership & Extension Month, I want to start this article with: "It's simple. The more members we have, the more people we can help. A stronger membership base will result in stronger communities."

**August 2, 2022**

17 whole-dressed chickens from the RCWWD, 5 trays of egg from Dir. Chona Lamparas, and various vegetables (pumpkins, eggplants, string beans, and okra) whole coconuts, *malunggay*, and lemon grass from the Vilela family.

## Field of Dreams

**July 27, 2022**

The RCWWD Ladies donated 3 trays of eggs for the boys at the Childhope Field of Dreams.

**August 3, 2022**

3 trays of eggs and 10 whole-dressed chickens (5 from PP Jannette Valderosa and 5 from PP Maribel Vilela) were provided for, too.

## 3rd Regular Meeting

**July 28, 2022**

The RCWWD had its 1st Club Assembly to present the year-end cash position of RY 2021-2022 and the HOH year-end financial statement. The Club would like to thank Treasurer Maribel Chua for a great job. Meanwhile, the Board of Directors (BoD) also presented their Plans, Program, and Budget for RY 2022-2023, which was approved by the General Assembly. We would also like to thank the BoD for dedicating their time and efforts.

We also want to acknowledge the presence of Honorary Member (HM) Nonoy Aquino and thank him for his generosity for donating to The Rotary Foundation (TRF). We also want to recognize the TRF donations of Pres. Vanessa Madayag, Dir. Vida Könst, and Dir. Alessandra Könst.

## Eyes for Hope

**July 29, 2022**

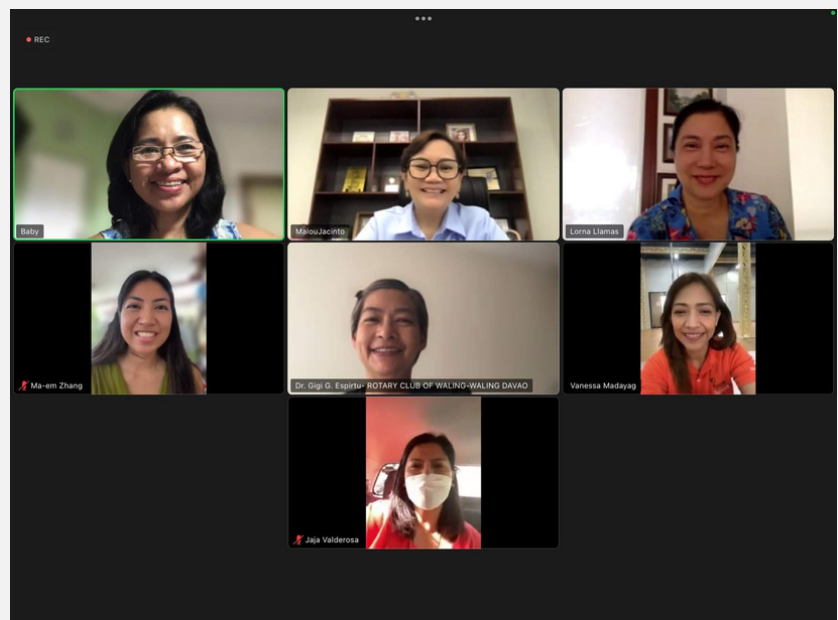

The project "Eyes for Hope" was launched to provide artificial eyes to the kids at HOH. The first patient was Diana, a 5-year-old girl, diagnosed with retinoblastoma that metastasized to her right shoulder. As the current artificial eye she had was not a good fit for her, she was a good candidate for this project. Doctor Tom Jamora assisted the RCWWD Ladies with the rest of the kids who needed an artificial eye. We are also grateful to Doctor Bai Zainal and Doctor Mae Dolendo (both members of the RCWWD) for helping out with this project. Thank you also to PP Lorna Llamas for her pledge to support 10 patients. We are also thankful to the RCWWD for providing this opportunity for the kids.

## 1st RCWWDFI Meeting

**August 3, 2022**

The first organizational meeting under The Rotary Club of Waling-Waling Davao Foundation, Inc. (RCWWDFI) was held at 2pm via Zoom. Those in attendance were Pres. Vanessa Madayag, PAG Armi Geralyn Espiritu, PP Lorna Llamas, PP Maribel Vilela, PDT/PP Maria Luisa Jacinto, IPP Jannette Valderosa, and Sec. Emmanouelle Zhang.

## Rotary Fellowships Amplify Ukrainian Relief Efforts

Written by Arnold R. Grahl

In the festive atmosphere of a gala dinner, Rotary members raised glasses in toasts and kindled friendships in Lviv as they welcomed a group of Ukrainians to the International Fellowship of Flying Rotarians. The next day, the Ukrainian members showed visitors former Eastern Bloc aircraft at a military base that had become a general aviation field.

Just a few months later, Russian forces invaded Ukraine — and the new friendships became critical connections for support and supplies.

Rotary's global network has sent millions of dollars' worth of relief and medical supplies to help the people of Ukraine. Rotary Fellowships, which bring together members who have a shared interest or hobby, have amplified the impact of these efforts.

Members of the flying fellowship leapt into action to help their fellow pilots as soon as the war began. George Chaffey, then-world president of the fellowship, says he and other members quickly contacted the Ukrainian members, who have been instrumental in identifying the most effective ways to channel the assistance.

One of them has been Olha Paliychuk, a member of the Rotary Club of Cherkasy, Ukraine. Paliychuk, who is a doctor and working toward her pilot's license, has helped coordinate response plans through both the flying fellowship and the International Fellowship of Healthcare Professionals.

"Within a week we raised more than \$12,000 and a large volume of medical supplies, all cleared through Olha," Chaffey says. "We collect what the Ukrainians tell us they need and direct it to exactly where it is needed."

Chaffey says the fellowship members based in Hong Kong have arranged the delivery of more than \$25,000 overall in medical supplies. At one point, they raised more than \$10,000 in just four days for urgently needed medical equipment. Fellowship members worked out the details of the shipment in a message chat that spanned multiple time zones.

## IMAGINE ROTARY

### Rotary International Theme for 2022-2023

Have you heard? Rotary International President-elect Jennifer Jones (who is also our first female president) has announced the 2022-23 theme Imagine Rotary. "Imagine, a world that deserves our best, where we get up each day knowing that we can make a difference."

The theme is a special one: the theme graphic was designed by an Australian Indigenous artist to link with the Melbourne Convention in 2023.

Some of the symbolism includes:

Circle connections to one another

Dots around it - our people

There are 7 Dots for Rotary's 7 areas of focus

Circle + dots around it - a navigation star, our guiding light

Green solid line - digging stick (used when doing hard work); for us it's People of Action, represents the tools for getting things done

The colours purple, green & white - celebrate diversity, equity and inclusion

Freedom to express ourselves differently but still with a special connection

Purple is also the colour of Rotary's Polio campaign

Green represents the Environment

White stands for peace; it also represents Empowerment and Newness and also

the colours were utilised for the women's movement, highlighting the opportunity

to grow our female membership.

## Rotary's new DEI Code of Conduct

- Use respectful language
- Be supportive
- Foster a welcoming and inclusive environment
- Celebrate diversity

**8. Thinking about the costs associated with Club membership, how would you rate the following?**

1

**Nothing Else Matters -- Rotary is a Membership Organization And Our Product is Service.** If you get Membership right, pretty much everything else takes care of itself. If you don't get membership right, everything else is a struggle for the whole year. Work on membership **first**, get your membership committee up and running **first**, and then attend to other priorities. Make sure your membership chair is 100% committed to membership growth, and to getting started in April or May (the April or May **before** the next Rotary year). And that the Membership Chair has a committee. NOTE: *A committee cannot be one member!*

2

**Attrition is Real** -- Membership organizations lose members, most at alarming rates. I know, you're thinking "Nobody would quit our great club". Wrong. The 5-year average attrition rate for Zone 33 clubs is **fifteen percent (15%) annually**. Half of those leave for reasons you can't control. A handful of clubs have long-term attrition rates below 10% and **none** lower than 8%. Build your membership plan around the assumption that 15% of your members will leave During this next Rotary year, and have a plan to replace them. Count your blessings (and your membership gain) if that doesn't happen.

3

**Retention is Important for the LONG Term** -- Retention rates can be changed over time, not quickly, and you can't retain your way from 20 to 30 members. Work on retention strategies, but don't count on moving the needle quickly. Find out why people leave through exit surveys, and fix those problems. | **Hint:** Most attrition casualties have been members less than 1, 2 or 3 years (<1 year = highest attrition). Focus your retention strategies on those members.

4

**Clubs need membership growth every year** -- It doesn't have to be dramatic. 4% annual membership growth will double the size of your club in 18 years. What you want to develop is a **membership growth culture** -- the fundamental belief that the club grows a little every year and avoids huge declines along the way. It's not a series of "membership drives", but a consistent, sustained effort. We have examples of clubs doing just this, with only one year of decline (by 1 member) along the way. Set your goal at 10% net membership growth (plus an estimate of 15% attrition).

5

**It takes Intentional Strategies** -- Discard generalities like, "Ask members to bring guests to meetings." Change that to, "Ask "x" members to bring "y" guests to a meeting about Rotary membership on mm/dd/yyyy", and you might have something, if the rest of the plan for reminders, follow up, etc. is in place. Lather, rinse, repeat. Likewise, financial and other incentives for membership recruiting are surprisingly ineffective -- you can't make the prize big enough to be "worth the effort" after a member thinks about it for awhile. It's a nice "thank you", but don't count on incentives alone.

**Remember the 10:3:1 Rule** -- It takes about 10 names or referrals (suspects) to get 3 prospects to a Rotary Information Hour or Rotary club meeting, to get **one** new member proposal. Lack of sufficient "lead generation" is a root cause of low rates of new member flow. Zone 33 (thanks to Terry Weaver, PDG of D7750) has a list of **24 Intentional Strategies** that are **proven to work**.

If you **understand** and **believe** these truths, your year as President will be successful, rewarding and perhaps legendary in the life of your club.

# THE FOUR- WAY TEST

OF THE THINGS WE THINK, SAY, AND DO

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular, to encourage and foster:

**FIRST**, the development of acquaintance as an opportunity for service;

**SECOND**, high ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD**, the application of the ideal of service in each Rotarian's personal and community life;

**FOURTH**, the advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service.

**CORE VALUES: SERVICE • FELLOWSHIP • DIVERSITY • INTEGRITY • LEADERSHIP**

## ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life;
2. Deal fairly with others and treat them and their occupations with respect;
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world;
4. Avoid behavior that reflects adversely on Rotary or other Rotarians.

## ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures, and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most importantly, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in seven areas, which reflect some of the most critical and widespread humanitarian needs:

1. Peace and conflict prevention/resolution
2. Disease prevention and treatment
3. Water and sanitation
4. Maternal and child health
5. Basic education and literacy
6. Economic and community development
7. Supporting the environment
