Loving and merciful Father, You have brought us all together in Rotary for a common goal - SERVICE Above Self.

As we continue to pursue our projects and activities for the Rotary year, infuse in each one of us the spirit of understanding, forbearance and affection. Soften our hearts to be sensitive and loving as we serve together as Rotarians.

Today we're thankful for the district leaders of Rotary. We're thankful they're willing to give their time and their talent, willing to risk, and willing to inspire each of us to become the best we can be. We're thankful that Rotary brings together opportunities to improve our community and our world.

Walk with us through all our endeavours and guide us with Your loving hands. May all our thoughts, words, and needs be directed toward Your greater glory. In Your mighty name, we pray.

AMEN.

Written by PP Estela Maribel Vilela

For our meeting this Thursday, we'll be having our District Governor's Visit. This is our chance to present to the District Governor our accomplishments as a Club and our plans and programs for this Rotary Year. Isn't that exciting? We as a Club came together to make this Visit worthwhile and "structured," in the sense that we want it to go as smoothly as possible.

Being the Team Leader for this month, I had to balance my work, personal, and Rotary "lives." It isn't easy having so many roles in the community, but with a little "time management" and the help of Team Super Girl (my host group), I'd say the first meeting for September will be a success!

Cheers!

PRESIDENT'S UNDERWRITING

Spectacular day to all of us, gorgeous Ladies in Red!

As we start to feel the Christmas vibe this first month of the BER months coupled by the very famous song of Jose Mari Chan we constantly hear being played in every speaker we hear everywhere, be it in the malls or restaurants, I hope and pray that we are all feeling very MERRY already.

I am praying that we hold on to this spirit of Christmas as we welcome our District Governor, Lilo Aliño, today, further strengthening our Rotary advocacies through the final presentation of our RY 2022-2023 Plans and Programs.

Also, my heartfelt gratitude to Director Sophiya Avisado, Past President Lorna Llamas, Director Gina Marie Espejo, Immediate Past President Janette Valderosa and the others who are actively inviting new members to join our club.

This day becomes more exciting as we induct and charge a new member. May we all inspire all of these women along with their families to share the same passion as

we have. May they be "Rotarized" no matter what challenges we encounter in the coming days.

I looked forward to see new faces join in the distribution of school supplies at the Tibungco Day Care last 12th of September, 2022, as we welcomed the 120 students of our Day Cares 1 and 2, who will start face-to-face classes this year.

May we all work in synergy and instill in our hearts and minds this year's theme - IMAGINE ROTARY.

Have a Spectacular September. RCWWD!

The Gift of Reading: The Guatemala Literacy Project is Working to Reverse the Country's Low Literacy Rates and Keep Children in School

Written by Diane Shoberg, Photography by James Rodríguez

When Rotary International President Jennifer Jones visited a primary school in a farming village in Guatemala's highlands and asked who wants to become the country's president, the students' hands shot into the air. Before a Rotary-supported reading program began in the village of Chajalajjá, students would often drop out after a couple years of school. "Reading will change our society," Principal Vilma Nizeth Moreira told Jones during an April visit to the school. "These are powerful tools we are giving children to eradicate ignorance." Schools often teach in Spanish, but about 25 languages are spoken in the country, and there are few written materials in local languages.

The Guatemala Literacy Project has worked for 25 years to improve reading rates. In 1997, Joe and Jeff Berninger, brothers from Ohio, were volunteering as English teachers at a Guatemalan school that had no books. The two launched a project to solve that. The day the books arrived, there was a huge celebration, and a Rotarian dentist volunteering nearby heard the noise and asked what was going on. "He said this would be a perfect project for Rotary," says Joe Berninger, now a member of the Rotary Club of Pathways, Ohio, which coordinates the project.

Rotarians in Guatemala helped develop reading programs in other schools, and since 1997, The Rotary Foundation has helped fund the literacy project with 48 grants totaling \$6.5 million. Nearly 800 clubs in 90 districts have participated, making

it one of the largest grassroots, multiclub, multidistrict projects in Rotary. The initiative also receives support from the U.S. nonprofit Cooperative for Education. "There's a lot of push and drive and enthusiasm that comes from Rotary," says Howard Lobb, Cooperative for Education's director of partner development, also a member of the Ohio Pathways club.

From that initial textbook project, the work has grown to include computer labs, Rise Youth Development Program scholarships, and the Spark Reading Program to provide books and teacher training.

Students pay a fee to rent textbooks, and the money is put into a revolving fund, used to replace the books after five years. "Rotary's donation acts as a seed investment, and when textbooks wear out or become outdated, the school ... can replace their textbooks with their own savings without having to ask Rotary for more funding," Lobb says.

Moreira, the village school principal, recalls a former student who stayed in classes thanks to a Rise scholarship and is headed to university. The girl read a book about Nobel Prize winner and Pakistani activist Malala Yousafzai that Moreira lent her. "Now this girl wants to be as big as Malala," she says. "It changed her life."

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

Despite the great efforts to address DEI in Rotary, there are still challenges that need to be addressed.

The Importance of Basic Education

Written by Rtn. Jenah Cassandra De los Santos
Rotarian

Basic education, as defined by UNESCO, is a whole range of educational activities, taking place in various settings, that aim to meet basic learning needs. One cannot achieve his optimal function as a person with the absence of this.

Beginning from childhood, literacy is the strong root that moulds one's cognitive skills, helps express emotions, and deepens interaction with others.

A simple warning sign, if couldn't be read nor understood due to illiteracy, could even be life threatening.

Into adulthood, literacy and basic education is like gas that fuels a person's daily life. Mathematics, for example, is used for buying and selling; Science is to back-up common sense; English for communication, History is to hone respect for one's country; and so on.

Education should not be just a privilege, but a right. Poverty and lack of access, however, hinders such.

In the Philippines alone, the number of out-of-school youth rose at the onset of the pandemic from 16.9 percent in January 2020 to 25.2 percent three months later in April 2020, based on a study released by the US Agency for International Development in November 2021.

In other countries such as South Africa, UNICEF reported the number of out-of-school children tripled from 250,000 to 750,000 between March 2020 and July 2021.

Lack of basic education and illiteracy are problems that, more often than not, branch out into bigger problems. The next generations are our future; what kind of world would they live in if not everybody is given the chance to learn, to study, to converse, to be their best selves?

That is why organizations such as Rotary International do their best efforts to aid the issue with lasting solutions.

Recently, RCWWD launched and celebrated the newly renovated Tibungco Day Care Center – a District Grant-assisted project. Tibungco Day Care Center, as of writing, teaches 90 students - that's 90 lives. 90 kids who originally had no access to kindergarten, but whose lives have changed because of this RCWWD project.

THE FOUR- WAY TEST

OF THE THINGS WE THINK, SAY, AND DO

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular, to encourage and foster:

FIRST, the development of acquaintance as an opportunity for service;

SECOND, high ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD, the application of the ideal of service in each Rotarian's personal and community life;

FOURTH, the advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service.

CORE VALUES: SERVICE • FELLOWSHIP • DIVERSITY • INTEGRITY • LEADERSHIP

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life;
2. Deal fairly with others and treat them and their occupations with respect;
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world;
4. Avoid behavior that reflects adversely on Rotary or other Rotarians.

ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures, and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most importantly, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in seven areas, which reflect some of the most critical and widespread humanitarian needs:

1. Peace and conflict prevention/resolution
2. Disease prevention and treatment
3. Water and sanitation
