May these tokens of your bounty nourish our physical bodies in preparation for the challenges that are ours in Rotary.

Keep us always mindful of the needs of others and keep us always atuned to our calling in Rotary.

We ask these things in the Name of your eternal truth.

editor's note

September felt fast-paced. I read somewhere that even others felt that it had only been two days since September 1, metaphorically speaking. Time keeps ticking and the days turn into nights, but my perception on these felt off - maybe it's because of the 6 planets in retrograde, if you believe in astrology. Most of them still end sometime in October.

Whatever strange feelings arise during this time, I hope we can all beat them - the burnout, the anger, the sadness, the panic. While it's not at all bad to feel them, dwelling on them does more harm than good. May you be able to rise above these flames and find yourself anew - just like a phoenix.

Cheers!

What a wonderful day for fellowship, RCWWD Ladies!

Let us thank birthday celebrant and new member, Rtn. Herminia Polintan, for her generosity in offering her mini farm in Tugbok as our venue for fellowship and to celebrate her birthday during our regular meeting.

In the meantime, let's drum up for more attendance and sponsorships to our upcoming hosting of the TRF & Membership Seminar on October 8, 2022! It will be held at Sotogrande Hotel, Davao City.

Lastly, I would like to challenge everyone's imagination in coming up with fascinating ideas for the World Polio Day on October 23. Cheers , ladies in red !

SEPTEMBER 8, 2022 - DISTRICT GOVERNOR'S VISIT

A project visit to Tibungco Day Care Center 1 and Day Care Center 2 with several members happened with District Governor Lilu Aliño. DG Lilu was amazed with the support this facility extended to the community, based on 3 generations of success stories. She said that education and guidance at these stages are a huge advantage to the development and progress of one's life.

Afterwards, a successful District Governor' Visit with her was held on a beautiful Thursday at Cafe Tavera.

This program was also graced with the presence of District Chief of Staff Jet Bernardo, Past District Governor Riezel Reyes, Assistant Governor Vincent Edward Ang, fellow Rotatrians, and guests.

According to protocol, this Rotary Year 2022-2023 plans and programs were presented. The RCWWD also inducted a new member. Our updated roster is now at 44 members.

Ending our program, a Waling-Waling meeting is never complete without a dance!

Building Peace in a Fractured Land

WRITTEN BY ORLY HALPERN
PHOTOGRAPH BY YADID LEVY

During a meeting of about 50 teenagers in Israel's western Galilee region, students were grouped in pairs and asked to identify how they were similar and different. Although half of them were Jewish and half were Arab, none of them mentioned that seemingly obvious distinction. When asked why, they told a moderator, "We are all human."

The meeting, involving students from four schools in Jerusalem and the western Galilee, was part of a peace education program designed and led by Arik Gutler Ofir, a former Rotary Peace Fellow. It was supported by a 2016 Rotary Foundation global grant and implemented by the Rotary Club of Jerusalem, just one of the club's many peacebuilding initiatives.

The students stayed at each other's homes and learned about each other's food, music, and cultures. The project was so successful that when the grant money ran out, a local education board integrated the initiative — which had been co-sponsored by the Rotary Club of Mönchengladbach, Germany, and supported by Rotary clubs and districts in Australia, Germany, and the United States — into the civics curriculum.

"When you bring children from both sides to get to know each other, you create a situation where the other is not an enemy," says Dan Shanit, a former medical clinician, researcher, and program developer who has served as the Jerusalem club's president twice, most recently in 2021-22. "Enemies are anonymous. They don't have a face. What you want is to know the face."

Since its beginning, the Rotary Club of Jerusalem has focused on peace. The club was chartered in 1929 during a period when the region, including the future state of Israel and what would become the occupied Palestinian territories in Gaza and the West Bank, was under British colonial rule. Most of the charter members were from the city's British elite. Today, the club continues to hold meetings in English.

For decades, its members have met at the Jerusalem International YMCA. With its elegant arches, domes, and tower, the building is a city landmark and a place for finding common ground. Arab and Jewish members were quick to join and within five years, the club had its first non-British president, D.G. Salameh, an Arab who had been vice mayor of Jerusalem. The following year Leon Roth, a Jewish professor of philosophy, became president.

The club's ability to serve as a place where people of all faiths, ethnicities, and political views could find common ground was tested during the war that surrounded the withdrawal of the British and the creation of the state of Israel in 1948. The fighting split the city between Israeli and Arab control, with Arabs to the east and Jews to the west and barriers between them. The YMCA was on the Israeli side of the city.

"When the war ended, Jerusalem was divided," Shanit says. "Most of the Arab members had lived in the wealthy neighborhoods in the west side of the city and were expelled or fled." As a result, the club lost its Arab members.

A Look at the Year Ahead

**BY PRES. JENNIFER JONES
RI PRESIDENT**

Dear Rotary family,

I've always been inspired by something my brother David once told me: "In order to live in the kind of society you want, you have to help build it."

As people of action, Rotary members have a long history of creating positive change within our communities and ourselves. And now, as we begin the 2022-23 Rotary year, I'm excited to continue the work of growing Rotary into the organization we want it to be and know it can be.

DELIVERING ON OUR PROMISE

Diversity, equity, and inclusion (DEI) are not corporate buzzwords. They're important reminders that we need to understand and embrace our differences, provide equitable opportunities for success, and welcome one another exactly as we are.

For Rotary, DEI means ensuring that our clubs, meetings, and events are places where participants can speak openly and respectfully and where everyone feels welcome. It's about removing barriers to entry and success and opening doors to inclusion.

PUTTING MEMBERS FIRST

The main reason Rotarians and Rotaractors remain Rotary members is that they feel welcomed and supported in their clubs. Increasing our membership continues to be a priority, but giving our members experiences they value and reasons to stay is equally important.

How can you help? To serve our communities, we first need to serve our members. Talk to your club leaders and fellow members about what they want from their Rotary experience and work together to make it happen. Learning what keeps members engaged is a powerful tool for strengthening Rotary. These membership resources can help.

EMPOWERING WOMEN AND GIRLS

All over the world, gender can still affect a person's ability to get an education, funding for a small business, or proper health care. We know that projects that improve the health, well-being, education, and economic security of girls will have a positive impact on the next generation of empowered female leaders.

How can you help? Develop a club-based initiative or apply for a district grant or global grant to fund a project that promotes girls' health, education, or economic independence. From supporting a local women's shelter to improving girls' access to water and sanitation, every project can make a big difference. Share your

stories and learn what other clubs are doing to empower girls and women on Rotary Showcase.

IMAGINE IMPACT

We've always proudly showcased the many ways Rotary drives change and makes an impact. This year, we'll use a variety of storytelling approaches to highlight projects in each area of focus. Our goals are to raise the visibility of our work; engage new influencers, media, leaders, and potential partners; and share what we've learned about how clubs can make projects in their communities even more effective.

How can you help? Visit the Learning Center to learn more about Rotary's focus on increasing impact. And download resources from Rotary's newly updated Brand Center to tell your club's story. By sharing your club's successes, you're showing people that Rotary is a service and leadership organization that makes a difference.

Rotary members have demonstrated that when we dream big — as with our fight to end polio — we can make our dreams a reality. This year, I'm asking you to Imagine Rotary — and to imagine a world where we each contribute to lasting positive change.

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular, to encourage and foster:

FIRST, the development of acquaintance as an opportunity for service;

THIRD, the application of the ideal of service in each Rotarian's personal and community life;

FOURTH, the advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life;
2. Deal fairly with others and treat them and their occupations with respect;
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world;
4. Avoid behavior that reflects adversely on Rotary or other Rotarians.

ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures, and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most importantly, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in seven areas, which reflect some of the most critical and widespread humanitarian needs:

1. Peace and conflict prevention/resolution
2. Disease prevention and treatment
3. Water and sanitation
4. Maternal and child health
5. Basic education and literacy
6. Economic and community development
7. Supporting the environment
