EDITOR'S NOTE

Ma. Alessandra Elisabeth Könst, Editor-in-Chief

On to October! It feels as though September was just one day when it was a whole month.

We recently had "The Rotary Foundation and Membership Seminar: Building Membership - A Key to Strengthening the Rotary Foundation" last Saturday, and I am still at awe at the amazing commitment of the committee (otherwise known as the "Core Group").

Though I wasn't part of the committee, seeing them work tirelessly (although I'm sure all the team members were tired after, aching legs from all the walking and all) and gracefully made me all the more proud of being a part of the Rotary Club of Waling-Waling Davao, and of Rotary.

This month, let us all "relax" as we continue moving forward. We have a guest speaker for our regular meeting, who will share awareness on breast cancer. I hope most, if not all of us, can attend.

Cheers!

The Second is the WORLD POLIO DAY divided into 3 separate activities which are as follows:

1. Lecture of Hannah Angela D. Acosta, MD, FPCS, FPSGS, during our regular meeting in Helen's Kitchen Buhangin, Davao City, on October 13, 2022
2. "Patak Polio" simultaneous in 7 areas where our club is assigned to the Ma-a Health Center on October 19, 2022
3. Zumba at Victoria Plaza on October 23, 2022

MOBILE CLINIC DELIVERS FREE HEALTHCARE FOR WISCONSIN'S UNDERSERVED COMMUNITIES

BY: WEN HUANG

Rotary clubs in District 6250 (Wisconsin and Minnesota, USA) have donated a mobile clinic to St. Clare Health Mission, a community organization in La Crosse, Wisconsin, that provides primary and specialty health care services at no cost for those without access to insurance.

The mobile clinic, a shiny blue vehicle with Rotary logos painted on the side and front, was unveiled in August during a Rotary-sponsored evening concert, Moon Tunes, at Riverside Park in downtown La Crosse.

Josh Mansee, immediate past president of the Rotary Club of La Crosse-After Hours, one of the Rotary volunteers who drove the new mobile clinic and stopped by Rotary International Headquarters in Evanston, Illinois, recently, describes the vehicle as a “full-scale, full-service family medicine unit” which is equipped with two exam rooms, diagnostic equipment, and a wheelchair lift. “The clinic will deliver health care services, such as checkups and vaccinations, to many who simply cannot make their way to the land-based facility of St. Clare Health Mission,” he says.

“This is truly a community driven project,” says Rotary International Director Pat Merryweather-Arges. “The Rotary clubs saw a need in the rural community and they’re partnering with clubs in other parts of the world and fulfilling the need.”

Merryweather-Arges says nearly 20% of the U.S. population lives in rural areas where basic health care disparities affect millions. “When we talk about the underserved, we are referencing the economically deprived, the homeless, and a large immigrant population in the rural areas,” she says. “Mobile clinics like this one are very important to the community because many people will not seek care, because they cannot afford it and lack proper access.”

(More pictures of the Rotary Foundation and Membership Seminar can be found on our Facebook page and Instagram account)

A group of people, mostly wearing yellow shirts with "FIREFLY KASAMA" printed on them, are gathered around a light blue table. They are engaged in a painting activity, using brushes to apply pink paint to white paper. Several white paint palettes with various shades of pink and red are scattered on the table. The scene is brightly lit, suggesting an outdoor or well-lit indoor setting. The text is overlaid in a purple, cursive font across the center of the image.

"There is immense power when a group of people with similar interests gets together to work toward the same goals."

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular, to encourage and foster:

FIRST, the development of acquaintance as an opportunity for service;

SECOND, high ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD, the application of the ideal of service in each Rotarian's personal and community life;

FOURTH, the advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service.

CORE VALUES: SERVICE • FELLOWSHIP • DIVERSITY • INTEGRITY • LEADERSHIP

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life;
2. Deal fairly with others and treat them and their occupations with respect;
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world;
4. Avoid behavior that reflects adversely on Rotary or other Rotarians.

ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures, and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most importantly, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in seven areas, which reflect some of the most critical and widespread humanitarian needs:

1. Peace and conflict prevention/resolution
2. Disease prevention and treatment
3. Water and sanitation
4. Maternal and child health
5. Basic education and literacy
6. Economic and community development
7. Supporting the environment
