Dear Lord, we invoke your blessing upon this meeting and on people of goodwill everywhere.

Bless all the former members of our Rotary Club who have moved on, passed on, or opted out.

We pray that each one caught something of the spirit of our service, bloomed a little fuller and shone a little brighter because of the service experience.

We ask you to bless all the present members of our Club that each will be steadfast to show a little more, give a little more, and be a little more because of the service and friendship experience.

AMEN.

# editor's note

Us Ladies in Red have proven 2022 to be another successful year so far – congratulations.

As we move on to November, which is the Rotary Foundation (TRF) month on our Rotary calendar, we'll be presenting the State of the Rotary Club of Waling-Waling Davao's (RCWWD) TRF Contributions as of October 2022, courtesy of our Director for TRF, Dir. Luna Gaviola.

The Host Group, Captain Marvel, will help to facilitate this during our next regular meeting. Distribution of Certificates of Appreciation to RCWWD Contributors for RY 2022-2023 will also be given!

What even is TRF? More on that in the next few pages, shared by our very own Bloomscoop Adviser, PP Evangeline Schwendener!

Have you already contributed to TRF? If you haven't already, donate now!

Cheers!

## VIRTUAL VISIT: UGANDA CLUB PAYING IT FORWARD WITH MICROLOANS

WRITTEN BY EVELYN LIRRI

Once a group of enterprising women in the far northwest of Uganda had lifted their families out of poverty using microloans, they quickly turned their attention to helping others. Their first step? They formed a Rotary club.

The Rotary Club of Yumbe was chartered in April. But even before that, while the club had provisional status, its members were hard at work. Yumbe, a town of about 50,000 people with a busy main street lined with workshops, food stalls, and markets, is located between a branch of the Nile and the borders with the Democratic Republic of Congo and South Sudan. The surrounding rural region faces challenges ranging from malaria to unsafe drinking water. Adding to the strains, the nearby Bidi refugee settlement is home to nearly a quarter of a million people – most of them women and children – who fled civil war in South Sudan. And household incomes in the region amount to a little over a dollar a day.

The club, which has 24 members, put out a call by radio for proposals for its first community project and decided to help in Achiba, a nearby village of about 600 people with homes made of mud walls and thatched roofs, surrounded by vegetable gardens. Since 2021, club members have undertaken ambitious service projects there as a pilot for their community intervention plans.

Rukia Driciru, the club's charter president, who runs a boutique shop in Yumbe, says the group's aim is to empower women and enable them to benefit economically. To achieve that, members are trying to lower the burden involved in accessing key services, including safe drinking water, to reduce waterborne disease, improve hygiene and sanitation, and fight malaria.

The club is distinctive in several ways. For one, all members are women, including some who until recently were struggling financially themselves. It draws its membership from an existing network of women who belong to local village savings and loan association groups. The collectives usually include 10-30 people who pool savings and take out microloans to invest in income-generating enterprises. The interest is invested back into the community. The savings associations are supported by **TCP Global**, a program with close ties to the **Peace Corps** and Rotary communities. TCP Global supplies funding to increase the loan pools. In Yumbe, the women used their initial loans to stabilize their businesses and ensure their children had enough to eat and could go to school. Now in a position to help others, that's exactly what they're doing.

# WHAT IS THE ROTARY FOUNDATION?

SHARED BY P P EVANGELINE  
SCHWENDENER  
PAST PRESIDENT | BLOOMSCOOP ADVISER

## NOVEMBER IS THE ROTARY FOUNDATION MONTH.

The Rotary Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary International, we tap into a global network of Rotarians who invest their time, money, and expertise into our priorities, such as

eradicating polio and promoting peace. Foundation grants empower Rotarians to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact. Strong financial oversight, a stellar charity rating, and a unique funding model mean that we make the very most of your contribution.

The collective leadership and expertise of our 1.2 million members helps us tackle some of the world's biggest challenges, locally and globally. We are united by common values and vision for the future as we sharpen our focus with targeted specific causes that will reach communities most in need.

### GUIDING PRINCIPLES

For more than 100 years, our guiding principles have been the foundation upon which our values and tradition stand.

The Four-Way Test, Object of Rotary, and the Avenues of Service express our commitment to service, fellowship, diversity, integrity, and leadership.

### AREAS OF FOCUS

We direct our efforts in areas to enhance our local and global impact.

### HISTORY:

**At the 1917 convention, outgoing RI President Arch C. Klumph proposed to set up an endowment "for the purpose of doing good in the world."**

**In 1928,** it was renamed The Rotary Foundation, and it became a distinct entity within Rotary International.

**In 1929,** the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. "Daddy" Allen, later grew into Easter Seals.

When Rotary founder Paul Harris died in 1947, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

**1947:** The Foundation established its first program, Fellowships for Advance Study, later known as Ambassadorial Scholarships.

**1965-66:** Three programs were launched: Group Study Exchange, Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called Matching Grants.

**1978:** Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first 3-H Grant funded a project to immunize 6 million Philippine children against polio.

**1985:** The PolioPlus program was launched to eradicate polio worldwide.

**1987-88:** The first peace forums were held, leading to Rotary Peace Fellowships.

**2013:** New district, global, and packaged grants enable Rotarians around the world to respond to the world's greatest needs.

Since the first donation of \$26.50 in 1917, the Foundation has received contributions totalling more than \$1 billion.

Our most successful and sustainable projects and activities tend to fall within the following areas:

- Promoting peace
- Fighting disease
- Providing clean water
- Saving mothers and children
- Supporting education
- Growing local economies.

# The Perfect Fit

Diana Monterola was diagnosed with cancer.

In this battle, her right eye had to be enucleated at her tender age of four. She was fitted with an artificial eye back then. Now that she has grown, her eyeball has also grown and her previous artificial eye was unfit for her.

She was sheltered at the House of Hope, a transient home for kids diagnosed with cancer.

With the help of Dr. Thomas Jamora, on account of four refitting times to get the perfect fit, Diana is now happy with her new prosthetic eye. This was all possible in the collaboration with the Rotary Club of Waling-Waling Davao and sponsored by PP Lorna Llamas.

She is now six years old!

# THE FOUR- WAY TEST

OF THE THINGS WE THINK, SAY, AND DO

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular, to encourage and foster:

**FIRST**, the development of acquaintance as an opportunity for service;

**SECOND**, high ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD**, the application of the ideal of service in each Rotarian's personal and community life;

**FOURTH**, the advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service.

**CORE VALUES: SERVICE • FELLOWSHIP • DIVERSITY • INTEGRITY • LEADERSHIP**

## ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life;
2. Deal fairly with others and treat them and their occupations with respect;
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world;
4. Avoid behavior that reflects adversely on Rotary or other Rotarians.

## ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures, and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most importantly, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in seven areas, which reflect some of the most critical and widespread humanitarian needs:

1. Peace and conflict prevention/resolution
2. Disease prevention and treatment
3. Water and sanitation
4. Maternal and child health
5. Basic education and literacy
6. Economic and community development
7. Supporting the environment
