Praise be to the Lord for this gathering of good food, good friends, and Rotary.

We thank you for allowing us to be of service to others. May blessings rest upon our being together and upon all our efforts as we seek to serve and to give without expecting anything in return.

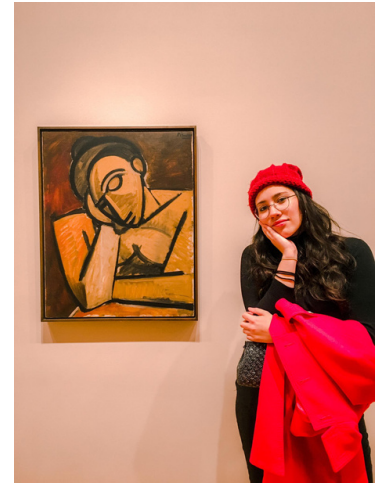

Broaden our shoulders and brace our backs for carrying out our responsibilities. Help us to do them nobly, honestly, with dignity and integrity. Lastly, may all who gather here today find strength and comfort in each other knowing they are never alone.

AMEN.

Editor's Note

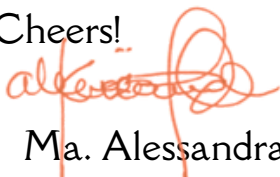

December is just around the corner, but we still have a lot of work to do for November!

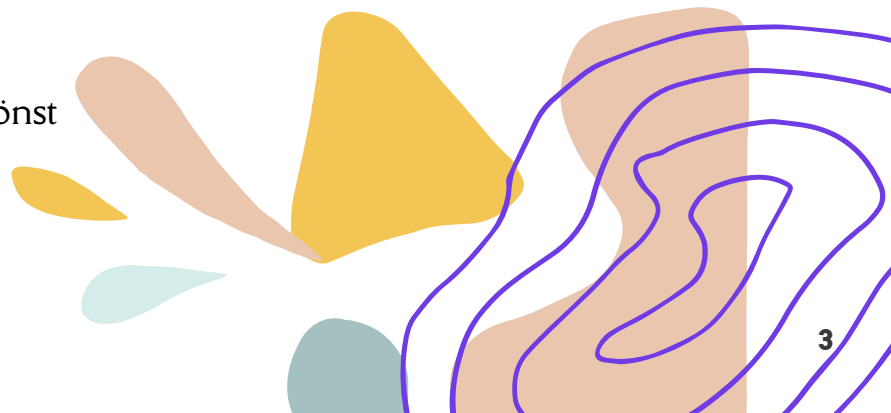

If you read our President's write-up (page 6), you'll know that we still have upcoming projects to work on. Aside from that, we also have other articles in this Bloomscoop issue pertaining to DEI (as always, Dir. Vida Könst never fails to send me an e-mail on more information about how to be a diverse, equal, and inclusive Club to share with our members!), a little bit of Rotary Orientation (read up, Ladies in Red! This was shared by PP Vangi Schwendener), and how the Train-the-Trainers Workshop 2022 gave PP Baby Vilela the opportunity to learn and connect with mentors from different Rotary Clubs, both local and international!

I hope you enjoy our 10th issue.

Cheers!

**PRES. VANESSA
MADAYAG**
Club President

Hello, Ladies in Red!

Are you ready for this final countdown of the last remaining activities for the month?

Check out this list:

1. Patubig sa Barangay Project together with DCWD at RCC Matina Pangi (November 24) and Tibungco Day Cares 1 and 2 (November 25, 2022)
2. Turn Over of Day Care Centers 1 and 2 (Simultaneous with Patubig sa Barangay on November 25, 2022)
3. Meet and Greet RI President Jennifer Jones in PICC Manila (November 24, 2022)
4. District Grant submission of our Application (ADAP Village renovation)

Christmas is in the air as we start to receive love gifts for our clubs from several generous individuals.

For instance, we got substantial donations for the Pamalengke ng House of Hope from Club members plus an anonymous donor who gave a lumpsum cash of PHP20,000 recently.

Moreover, we received an additional PHP 100,000 as donation from DMIRIE foundation, courtesy of Dir. Gina Espejo, to be added to our Club funds.

Allow me to make another gentle reminder on The Rotary Foundation contributions. Sharing with you the connection of TRF with what transpired last November 11, 2022. The first leg of the Rotary International Global Grant Project No. 1640035 started and was completed on November 18, 2022.

This Global grant project was a collaboration with RC East, RC Adelaide, and RC Prospect, where we got a total grant fund of USD 100,000. This project touched 2 areas of focus namely (1) Basic Education Literacy and (2) Maternal and child health care. It was in partnership with DMSF Institute of Primary Health Care and the Department of Education. The beneficiaries were K1 to Grade 3 Teachers of the following schools:

1. Balite Marilog
2. Pichon Tibungco
3. Caliclic Samal

Do you see the impact of our TRF contributions?

Encouraging everyone to keep on donating to TRF as we begin to imagine and formulate more impactful projects in the coming years. Imagine what more can we do to support our advocacies in the club.

Let's be Rotarized together!

Using District Resource Networks

Article taken from: <https://www.rotary.org/en/using-district-resource-networks>

For a long time, the incredible amount of knowledge within Rotary that could help clubs create more effective and sustainable projects was scattered and difficult to access. The creation of district resource networks has remedied that.

People can think of the resource networks as "in-house consulting firms" that collaborate with partners around the world to make humanitarian projects easier to launch and maintain, says Elva Heyge, a district international service chair in Canada. These resource networks bring together the expertise of our own members and of their connections beyond Rotary.

Clubs can get assistance finding language experts, initiating community assessments, designing meaningful service projects, acquiring funding, securing partners, or even sourcing materials or aid in the location where the project will take place. And every expert and partner in the network is carefully vetted by the district, so clubs can have confidence in the guidance they're receiving.

The next goal is for these resource networks to become essential early partners in any club's project planning. But the networks "are not well-understood in Rotary," says Roslyn Teirney, an international service chair in Australia.

"People don't yet know how magnificent it is," Teirney says, "how many subject matter experts are involved, and the opportunities for networking with other Rotary members who are extremely dedicated to international service projects."

Bill Gormont, an international service chair in the United States, hopes members come to understand the vast amount of expertise they can make use of. "You don't have to do this alone," he says. "There's an entire network here that can help. And our hope is that with access to more knowledge, clubs will be encouraged to band together and think bigger about the impact they can make."

In Italy, the resource networks have provided knowledge on projects where members worked with communities to set up clean water and functional toilets for young women in Tibet, build wells for fresh water in Argentina, and provide innovative telemedicine devices for home care during the pandemic in Italy, among many others.

- Eventually became international. Now ~28,000 clubs worldwide

Organization of Rotary

- Local clubs - each autonomous having own character and personality
- Organized into Districts, for administrative purposes, each with a governor nominated by district and elected at the annual International Convention

Rotary Orientation

- Promote international peace and understanding by partnering with foreign Rotary Clubs through projects with clubs national or international; or Grants co-sponsoring with international clubs
- Fellowship with members in other businesses and professions
- Meet other Rotarians at other clubs

Responsibilities of Membership

- Serve on committees - see handout on description of the committees
- Attend at least 60% of meetings - can be made up by attending other clubs and certain other events; leave of absence available for good cause (must pay dues).
- Propose new members
- Pay entrance fee
- Pay semi-annual dues
 - Pro-rated for those joining at other times
- Encouraged to be a Paul Harris Fellow or Sustaining Member (TRF discussed later)

Steps in Becoming a Member (according to M.O.P.)

1. Sponsor fills out proposal form and submits to Club Secretary.
2. Secretary sends to Classification and Membership Committees.
3. Classification selects appropriate classification (which may or may not be as proposed)
4. Membership investigates "suitability for membership" (i.e. not a criminal, etc.)
5. When passed by those committees, proposal goes to Board of Directors.
6. Board either approves or sends back to committee (very seldom happens).
7. If Board approves, sponsor is notified to arrange orientation with prospect.
8. Prospect and sponsor expected to attend Orientation meeting
9. Prospect tells sponsor "yes" or "no".
 - a. If yes, sponsor advises Secretary to post name in bulletin.
 - b. If no more than five written objections received, sponsor nominate prospect at regular meeting. If no more than ten objections, prospect is elected.
10. Sponsor brings new member to first available meeting for introduction.
11. Prospect attends 2 more meetings.
12. Prospect gets inducted.

The Rotary Foundation

- A separate membership corporation with one member – RI
- The fund-raising and spending arm of RI.
- Programs: Scholarships, VTTS, Volunteers PolioPlus.
 - Global/District grants available
 - TRF does not spend Annual Fund contributions for three years. Interest used for operating expenses
 - Permanent Fund (Endowment)
- Contributions through Paul Harris Fellow or Sustaining member

Rotary Orientation

Wrap Up

- Orientation should be an ongoing process, even after joining. Can't cover all details in short time at a meeting.
- New members encouraged to observe and ask further questions of sponsor and other Rotarians.
- Reminder to say "yes" or "no" to sponsor
- Sponsor to notify Club Secretary for publication

Avenues of Service and Areas of Focus

For years, Rotary's commitment to Service Above Self has been channeled through the Avenues of Service, which form the foundation of club activity.

The Rotary five avenues of service are:

1. Club Service focuses on strengthening fellowship and ensuring the effective functioning of the club.
2. Vocational Service encourages Rotarians to serve others through their vocations and to practice high ethical standards
3. Community Service covers the projects and activities the club undertakes to improve life in its community.
4. International Service encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace.
5. New Generations recognizes the positive change implemented by youth and young adults through leadership development activities

Rotary clubs serve communities around the world, each with unique concerns and needs. Rotarians have continually adapted and improved the way they respond to those needs, taking on a broad range of service projects. The most successful and sustainable Rotary service tends to fall within one of the following seven areas:

1. Peace and conflict prevention/resolution
2. Disease prevention and treatment
3. Water and sanitation
4. Maternal and child health
5. Basic education and literacy
6. Economic and community development
7. Environment

Rotary International and The Rotary Foundation recognize these seven areas of focus as organizational priorities, and there are countless ways that Rotarians can address these needs locally and internationally.

Train-the-Trainers Workshop for the Rotary Year 2023-2024

I was invited to join a select group of Rotarians to participate in the Train-The-Trainers Workshop, held last November 4-6, 2022, at Pearl Farm Beach Resort, Island Garden City of Samal.

It was a great opportunity to learn and connect with mentors, all of whom shared their insights, ideas, and knowledge.

Each of the participants was assigned a topic and act as a facilitator, while the rest of us role played as President-Elects.

The topic I facilitated was "Growing Rotary."

The goal of the workshop was to help Rotarians feel welcomed at all training events and to encourage an open exchange of ideas and experiences.

We were very fortunate to have PDG Andre Suharto, our lead facilitator, of Rotary Club of Kuching, District 3310, Malaysia, for making the training interesting, engaging, and interactive. It was such a dynamic training session packed with knowledge and full of fun!

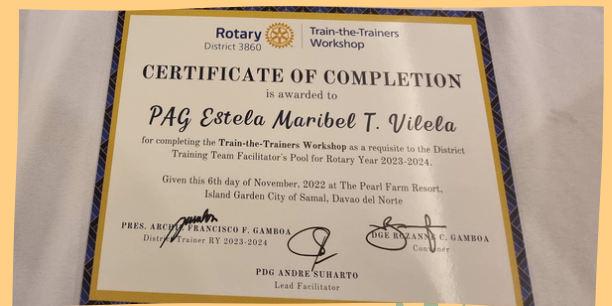

Shout out to all our resource persons, DG Lilu, PDG Me'anne PDG Riz Reyes, and PDG Anna Bumagat for sharing their insights, wisdom, and generous evaluation for each facilitator.

I thank DGE Twinkle and Incoming District Trainer for Rotary Year 2023 - 2024, Archie Gambao for organizing a very successful workshop and for making the training possible. It was one for the books! There were 21 rotarians from the different Rotary Clubs in District 3860 trained to be facilitators.

And to all my fellow participants, big thank you for the friendship, laughter, and fun. I miss the company!

THE FOUR- WAY TEST

OF THE THINGS WE THINK, SAY, AND DO

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular, to encourage and foster:

FIRST, the development of acquaintance as an opportunity for service;

SECOND, high ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD, the application of the ideal of service in each Rotarian's personal and community life;

FOURTH, the advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service.

CORE VALUES: SERVICE • FELLOWSHIP • DIVERSITY • INTEGRITY • LEADERSHIP

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life;
2. Deal fairly with others and treat them and their occupations with respect;
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world;
4. Avoid behavior that reflects adversely on Rotary or other Rotarians.

ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures, and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most importantly, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in seven areas, which reflect some of the most critical and widespread humanitarian needs:

1. Peace and conflict prevention/resolution
2. Disease prevention and treatment
3. Water and sanitation
4. Maternal and child health
5. Basic education and literacy
6. Economic and community development
7. Supporting the environment
