It is good to recognize how different we are. Our talents, our dreams, our backgrounds, our occupations. And it is good to know that when You created each of us, You broke the mold. No one is exactly like anyone else. Even our thumb print and our voice track tell us how unique we are.

Yet, we thank You that we can take these differences and mobilize them for the good of Rotary and our community. In our differences we can think the same thoughts and move together toward a common goal. Bless us as we meet together. Thank You for our individuality and also for our common bond.

AMEN.

EDITOR'S NOTE

March feels like a gentle breeze after the busy month of February. With the Rotary Year 2022-2023 (almost) coming to an end, it feels nostalgic to look back on everything we've done, everything we've gone through together as a Rotary Club, and everything that happened.

During March, we also celebrated Rotaract Week last March 13 to 19, 2023! With that, we asked Pres. Jackleen Sandique of our Rotaract Club, the Rotaract Club of Waling-Waling Davao, to share with us a write-up and some photos of the events that transpired during their week.

Cheers!

Measuring Our Results: Making Sure that We're Changing Lives for Good

Article taken from: <https://www.rotary.org/en/measuring-our-results>

For a long time, Rotary thought about measurement in terms of the money and time that we invested in a project, or the number of people that we trained through our project and programs. While these types of information are useful to gather, our approach to measuring our results is changing.

It remains important to celebrate the money, time, and other resources we bring to help address needs in a community, yet we cannot stop there. We have bigger goals than that. Our members want to improve the quality of life in communities near and far. And to ensure that is happening—and that we are individually and collectively learning and growing—we need to double down on measuring the positive change that happens as a result of our actions.

And that is what impact is at Rotary. It is the positive, long-term change resulting from our actions. Our members join Rotary to grow in their experiences and in their service. And part of that growth requires reflection and learning.

Now we want to know for certain if we're creating positive change — to determine while our projects are in progress if they're working or if we need to make adjustments, and to understand exactly what kind of results they're having. And we want to make sure the change is sustainable.

This is why our Action Plan asks all of us not only to do good work but also to measure the full results of our efforts — which means incorporating monitoring and evaluation into every project that we carry out.

Dr. Axel von Bierbrauer, medical project manager for a project in the Rarieda district of Kenya, acknowledges that this requires a new mindset. "Most people believe that acceptable data is 'training 100 people through our project.' Measurement doesn't stop at counting how many people you trained. It's the next step — checking the quality." In short, measurement includes not only counting the number of community health workers trained within a project but also determining if these workers are sufficiently applying the training in their work with patients... Rotaract Club of Waling-Waling Davao Updates

Pres. Jackleen
Sandique
President, RaCWWD

Last March 13 to 19 2023, the Rotaract Club of Waling-Waling Davao participated in the 55th World Rotaract Week festivities.

Staying true to "Fellowship Through Service," the Club celebrated it with the different Rotaract Clubs in the Davao Council.

Kicking off the celebration last March 13, 2023, the council visited Tugbok National High School to raise the District flag high during their flag ceremony, symbolizing the new found partnership made later that day. An arts and crafts session focusing on fine motor skills and concepts were also organized for the SPED students. Simultaneously, I gave a mini-training as a speech pathologist for the educators on how to do language stimulation techniques to promote language learning inside the classroom. The Rotaract Club of Waling-Waling Davao also prepared loot bags for the kids which they all enjoyed.

On March 15, 2023, the celebration continued by hosting a job fair in NCCC Victoria Plaza, in partnership with PESO. Hundreds of applicants showed up with 50+ local & overseas employers during the event. The Rotaractors manned the booth and helped the applicants throughout the process. Some applicants were even hired on the spot!

It was also very timely that the Parada Dabaw took place on March 18, 2023, and so the Davao Council took the opportunity to join. End Polio flags were proudly raised while walking the streets of Davao!

On the night of the same day, the fellowship part of "Fellowship Through Service" took place. We had a trivia night at the NCCC Victoria Plaza Atrium that was open to all. Thanks to Trivia Pilipinas, it was a fun-filled night for the Rotaractors and our new friends!

Rotaract Club of Waling-Waling Davao Updates

Pres. Jackleen
Sandique
President, RaCWWD

To end the long long long week celebration, last March 19, 2023, we danced it out as we organized a Zumba competition at the NCCC Victoria Plaza Atrium. More than 100 attendees were present and battled it out. The Rotaractors also served hot lugaw from the City Government of Davao.

It was indeed a sight to see the Rotaract Club of Waling-Waling Davao stay true to serving others while creating friendship. Of course, this would not all be possible without the endless support of the Rotary Club of Waling-Waling Davao. We look forward to making our mother club more proud!

THE FOUR- WAY TEST

OF THE THINGS WE THINK, SAY, AND DO

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular, to encourage and foster:

FIRST, the development of acquaintance as an opportunity for service;

SECOND, high ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD, the application of the ideal of service in each Rotarian's personal and community life;

FOURTH, the advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service.

CORE VALUES: SERVICE • FELLOWSHIP • DIVERSITY • INTEGRITY • LEADERSHIP

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life;
2. Deal fairly with others and treat them and their occupations with respect;
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world;
4. Avoid behavior that reflects adversely on Rotary or other Rotarians.

ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures, and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most importantly, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in seven areas, which reflect some of the most critical and widespread humanitarian needs:

1. Peace and conflict prevention/resolution
2. Disease prevention and treatment
3. Water and sanitation
4. Maternal and child health
5. Basic education and literacy
6. Economic and community development
7. Supporting the environment
