Rice is crucial to the Filipino; that's why this project was started a few years ago by PP Remie Calaguas, who still continues to oversee the project for the RCC's livelihood, which eventually becomes a sustainable activity for them to help them earn.

Happy Reading!

Fellowship

Lord, as Rotarians, we have each accepted a responsibility far beyond our ability to completely fulfill. We ask for Your blessing upon our club and its activities. Help us to select and engage ourselves in activities that meet the Four-Way Test and that our conduct might be exemplary when dealing with those around us. Create in us a heart that is sensitive to the needs of others, to serve with the purest intentions of humility and cheerfulness according to Your will and to Rotary's Motto of Service above Self.

AMEN.

PRESIDENT'S PASSPORT

Maria Vida Könst

President

Greetings, Family of Rotary!

With Environmental Sustainability taking root within Rotary as the 7th Area of Focus, Rotary has designated April 2025 as the Environment Month. It joined:

-  Peace-building and conflict prevention;
-  Disease prevention and treatment;
-  Water, Sanitation, and Hygiene (WaSH);
-  Maternal and child health;
-  Basic education and literacy; and
-  Community economic development.

Rotary International officially added "Supporting the Environment" as its seventh area of focus on 25 June, 2020.

• Rotary's Commitment to the Environment:

Rotary supports activities that conserve natural resources, advance ecological sustainability, and foster harmony between communities and the environment.

Environmental stewardship is not a luxury—it's a responsibility. As People of Action, we understand that lasting peace and prosperity are impossible without ecological balance.

PRESIDENT'S PASSPORT

This April, let us serve with open hearts and sustainable hands. Let's plant, protect, educate, and advocate — for the soil, the seas, the skies, and every life they nourish.

Because when we care for the Earth, we care for humanity.

Protect. 🌱 Conserve. 🌿 Preserve. 🌲

Cheers 💖

Why Goal Setting is Critical

In 2021, the Rotary Club of Batavia, Illinois, USA, decided to use Club Health Check to kickstart the goal-setting process. The club's officers asked dozens of new members for their opinions and used what they learned to set goals, create a strategy, and develop an action plan. They also started holding an assembly each quarter to discuss club progress with members. The club's officers discovered that planning for several years at a time builds continuity. They also realized that goals need to be quantified. "There is a big difference between saying, 'This year, let's do some social events,' and 'This year, we are going to do six social events,'" notes Tony Winter, a past president of the club. Read more about the Batavia club's use of goal setting.

Rotary Club Central makes setting and tracking goals easy for Rotary and Rotaract clubs. Club leaders can now set annual goals for up to three years and record their club's accomplishments. All members can view the club's progress, and future leaders can use past goals to make informed decisions about their club's direction. It's never too late to start planning for your club's future. Visit Rotary Club Central and get started.

From Source, System, Storage, Sip to Sanitation

The WASH Rotary Action Group's World Water Summit unites global leaders to explore how WASH prevents polio and other diseases. This year's event spotlights proven tools, emerging trends, and scalable solutions for lasting impact. Experts will share insights on WASH in healthcare, schools, and communities, ensuring safe water access and stronger public health systems. Through discussions, case studies, and interactive sessions, participants will gain actionable strategies for sustainable disease prevention.

Technical Assessments Grant

The WASH-RAG Professional Services Committee, through a generous grant from the Wallace Genetics Foundation, can provide a grant (up to \$1,200 per club) to cover the cost of required "front-end" technical assessments that a Global Grant cannot fund.

Technical Assessments that might be required include hydrogeologic studies of groundwater, test drilling, and engineering designs. This grant can not be used for Community Assessments.

INTERNATIONAL SERVICE STATION

Rotary Youth Exchange at 50

This year, we celebrate the 50th anniversary of Rotary Youth Exchange as an official program of Rotary International. For five decades, we've enabled students to experience new cultures, develop lasting friendships, and become global citizens. We're grateful for the dedication of the Rotary members and host families who make the program possible.

If you've worked on Rotary Youth Exchange in your club or district, you've likely noticed that it takes a tremendous effort to prepare students and volunteers for an exchange and support them during it. Creating a valuable, positive experience for students hosted abroad requires time and planning by both the students and the volunteers.

What does that mean on a global scale? Since 2018, on average, we've sent and hosted 7,500 exchange students each year, and it has taken 25,000 volunteers to make it happen. When we discuss Rotary Youth Exchange, we often think only about the students' experience, but both their home and their host communities are enriched by an exchange, too. Connections and understanding are built between cultures. And the massive effort volunteers have made through the decades is part of what we celebrate this year. JOIN US FOR WORLD IMMUNIZATION WEEK

TAKEN FROM ENDPOLIO.ORG

World Immunization Week is fast approaching on 24-30 April. This is a critical time to raise awareness about the importance of immunization and the safety and effectiveness of vaccines.

Why do we believe so strongly in this? Rotary made a promise to the children of the world with the launch of the PolioPlus program in 1985 that we would eradicate polio from the world. Thanks to vaccines and the incredible support of Rotary members like you, polio cases have been reduced by 99.9%.

But we aren't done yet.

As we continue our work to eradicate polio worldwide, we need to remain vigilant so that we don't lose the progress we've made. No child should suffer from diseases like polio that a vaccine can prevent. Polio eradication is Rotary's top humanitarian project, and we need your help to educate your communities about the benefits of vaccination and tell the story of Rotary's efforts.

THE FOUR- WAY TEST

OF THE THINGS WE THINK, SAY, AND DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular, to encourage and foster:

FIRST, the development of acquaintance as an opportunity for service;

SECOND, high ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD, the application of the ideal of service in each Rotarian's personal and community life;

FOURTH, the advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service.

**CORE VALUES: SERVICE • FELLOWSHIP •
DIVERSITY • INTEGRITY • LEADERSHIP**

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life;
2. Deal fairly with others and treat them and their occupations with respect;
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world;
4. Avoid behavior that reflects adversely on Rotary or other Rotarians.

ROTARY'S SEVEN AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures, and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most importantly, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in seven areas, which reflect some of the most critical and widespread humanitarian needs:

1. Peace and conflict prevention/resolution
2. Disease prevention and treatment
3. Water and sanitation
4. Maternal and child health
5. Basic education and literacy
6. Economic and community development
7. Supporting the environment
