ROTARY GRACE

Almighty Father, we fervently ask YOU to teach us not to reject nor ignore the friendship of our fellow Rotarians. For in rejecting them will be turning our backs on YOU. Our great organization, the Rotary, started as a meeting of friends in fellowship. But from the beginning of time, dear GOD, You have asked us to live in fellowship with one another. And so we pray to YOU to keep us from everything which will make us difficult to live with and to deal with; help us never to speak thoughtlessly or deliberately in such a way that we would hurt another's feelings or wound another's heart; keep us from all impatience, from all irritability, and from a temper which is too quick; keep us from eyes which are focused to find fault and from a tongue which is programmed to criticize; keep us from selfishness, which can see nothing but its own point of view and lastly grant us the grace and beauty which shone upon Your face and being. We ask all these through Your Son who lives and loves with YOU and the Holy Spirit forever. AMEN

R.I President Message

July 2019

As I look back on all the things I have seen and the people I have met since becoming president of Rotary International last July, I am certain of this: Rotary's capacity to transform lives for the better is unparalleled. Our impact is far beyond anything I could have imagined when I first became a Rotarian.

I think about the Rotarians I met in Pakistan, who partnered with Coca-Cola to improve sanitation in Karachi's neighborhoods while supporting polio eradication efforts. I think about the Puerto Rican Rotarians who are helping entire communities rebuild their lives after Hurricane Maria. I think about the German Rotaractors who are working to save bees — whose role as pollinators is so important to our planet — from extinction. I think about the six Rotarians and Rotaractors who were honored as People of Action: Young Innovators at Rotary Day at the United Nations in Nairobi, Kenya, in November for their work to create novel solutions to tough challenges.

It seems like only yesterday that I stood on a stage in San Diego and asked you to Be the Inspiration in your clubs, in your communities, and in the world. Your response was an inspiration to me. You are paving the way for Rotaractors to become our future leaders, helping start new Rotaract clubs and working to include Rotaractors in Rotary events and projects in your communities. You are working hard to eradicate polio, participating in 4,200 events in more than 100 countries for World Polio Day. And you are carrying out transformative projects that will create lasting change in your communities and in the world.

This year, I also saw how Rotary's work to build peace is bearing fruit. The 98 Rotary Peace Fellows who are studying at our peace centers will soon graduate, joining more than 1,200 others in applying their conflict resolution skills to problems that need solutions. And this month, Esther and I will travel to Hamburg, Germany, for a convention where people of all races, nationalities, religions, and political backgrounds will unite because they want to make the lives of all people better.

Seeing what Rotary means to people — to the communities we serve and to Rotarians themselves — has deepened my affection and admiration for all that Rotary is and does.

Soon it will be time for Esther and me to return home to Nassau. When we get there, I will look out on the vast sea that surrounds our island, and it will remind me of Rotary's limitless possibilities, and of the amazing future that awaits us beyond the horizon. I look forward to sailing there with you.

President's Message

Good Evening Fellow West Rotarians!

I would like to start by congratulating all members for a very successful induction! I know it has not been a tradition of our club to dance and yet members were enthusiastic about our practices and performance! I would like most specially to thank our spouses who set aside their busy schedules to attend our practices. I would also like to thank PP Bobby Leonor and PP Louie Bonguyan for their generous contributions which certainly helped in our celebration. And to others who contributed to the success, I thank you. I also thank IPP Jay Imperial for bannering our club for the past 2 years.

Having said all of this, lets us put forth our energy in furthering the advancement of our club. Let us not forget our obligations to our club and to the district but only after we have fulfilled those to our FAMILY and businesses. Having said this...let us look forward to the year ahead, to seek out new opportunities and extend our hands to new friends if not new members.

This I plan to involve our spouses more to our club. Although it is open for discussion, I would like to ask to set one meeting of our bimonthly to attend with our spouses to further our bond as a club. This will hopefully be our strength in recruiting new members. For them to see that although we are an all male club, the presence of our spouses are also imbedded in the club. Before I end let us ponder this saying..."WHAT WE DO IS WHAT MATTERS... Not what we say, think or plan!

Good Evening!

ROTARY INFORMATION

Why Rotary Year begins 1 July?

Ever wonder why 1 July is the beginning of the Rotary year? Initially, our conventions played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

The next August, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and to determine the proper number of club delegates to the convention.

The executive committee agreed and, in April 1913, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with Volume 5, No. 1, in July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.
