R.I President Message

October 2019

Rotary's long-term, sustained battle against polio has defined our organization for decades. We have a right to be proud of all that we have accomplished through the years.

Our progress is real and noteworthy. In 1988, polio was endemic in 125 countries, with more than 350,000 new cases a year worldwide. Since then, Rotary and our Global Polio Eradication Initiative partners have reduced the incidence of polio by more than 99.9 percent, vaccinated more than 2.5 billion children against the virus, and prevented 18 million cases of paralysis. Over the years, Rotary has helped country after country move into the polio-free column. This includes India, which some considered impossible not long ago. Of the three types of poliovirus, type 2 has been eradicated and type 3 could soon be certified as eradicated. Nigeria has not reported a case of wild poliovirus in nearly three years. If this trend holds, we will be down to just one type of wild poliovirus in only one section of the world, Afghanistan and Pakistan.

There are major challenges in that region. But it is crucial that we remain optimistic. Look at all that we have accomplished so far. This is no time to get discouraged or to think that the task is impossible. We will end polio forever, but only if we remain steadfast and vigilant. World Polio Day is a time for Rotarians from all over the globe to come together, recognize the progress we have made in our fight against polio, and plan the action we must take to end polio forever. The key word is action, because we still have important work to do.

This year, we want to see as many Rotary clubs as possible holding World Polio Day events around the world. Need some ideas? How about organizing a viewing party for friends and club members to watch Rotary's Online Global Update? You could also dedicate a club meeting to World Polio Day or create a fundraising event. Remember, every dollar raised is matched 2-to-1 by the Bill & Melinda Gates Foundation.

Once you have created an event, register it at endpolio.org/register-your-event. Then promote it using the World Polio Day toolkit, available at endpolio.org/world-polio-day.

Mark your calendar to tune in to Rotary's World Polio Day Online Global Update on 24 October. This year we will stream our program on Facebook in multiple time zones around the world. Visit the Rotary International Facebook page to RSVP to your region's program. And do not forget to follow the event on social media and share it with your network.

When we reach our goal, polio will become only the second human disease eradicated on the planet, and Rotary will receive international acclaim. But what matters most is the children who will never again have to face this terrible, disabling virus. Rotary must continue to connect the world in the effort toward polio eradication. It is up to us. Let us finish the job.

President's Message

Good Evening Fellow West Rotarians,

I would like to welcome all of you to our 1st October meeting. September was such a busy month, we were able to visit and turn over the Novato and part of Kurayoshi funds to Boystown and also go back to Mintal Day Care Center and give the go signal for the roofing and cement flooring of the outside stage.

As I said, September was a busy month, I am also glad to bear good news that our 2 regular guest have enthusiastically undergone Rotary Information and are schedule for induction next meeting.

If September was a busy month, October is also a busy month as this month is the Pink October month. Monday will be the start of activities at 7am at City Hall for the flag raising and to be followed by motorcade wherein assembly will be at Central Bank Tionko side, other activities such fun run and fun shoot, as well as the start of Bowling tournament.

The District is also requiring us to have an END POLIO shirt which will be used in some activities as well as own club shirt with the accepted Rotary Logo and branding.

Last meeting was well attended by the spouses as well as club alumni PP George Jocson and spouse Mila. Speaking of meetings, on our next joint members and spouse meeting we will be discussing the schedule of caroling practice as well as christmas party and venue.

As I end, let us ponder this saying and try to motivate us:

"SOMETIMES WE'RE TESTED NOT TO SHOW OUR WEAKNESS, BUT TO DISCOVER OUR STRENGTHS".

GOODEVENING!
