R.I President Message

February 2020

Happy 115th birthday, fellow Rotarians and members of the family of Rotary!

Much has changed in the world since 1905. Then, the global population was roughly 1.7 billion. Today, it is 7.7 billion. There were 5 telephones per 100 people in the United States 115 years ago. In 2020, it is estimated that 96 percent of the U.S. population has a cellphone — and both China and India have more than a billion cellphones in use.

In the 115 years since Rotary was founded, seemingly everything has changed except Rotary values. We began, and remain, committed to fellowship, integrity, diversity, service, and leadership. While our Service Above Self motto dates to 1911, the ethos behind those words had already been ingrained by Rotary's founders.

As the pace of change worldwide continues to accelerate, the need for Rotary service is greater than ever. It's one thing to read about service projects, quite another to see them in action and to see the grateful faces of people who have benefited from them. Rotary projects change lives and connect the world. And over the past year, I have seen some amazing Rotary projects in action.

Gay and I visited Japan's Fukushima prefecture last year. Few places in the world have had to deal with the kind of devastation that visited Fukushima in March 2011, when a tsunami touched off by an earthquake led to disaster at a nuclear power plant. But the story of Fukushima today is not one of destruction; it is one of hope and renewal. Rotary grants have helped improve access to medical and mental health care for victims of the disaster and reduced the isolation of these communities by sharing the experiences of people from other parts of the world who have also recovered from disasters. Our grants have also helped to foster self-motivation and encourage sustainable long-term community recovery across the region.

In Shanghai, I learned about the Careers in Care program. This helps migrant workers fill the need for skilled professionals in elder care facilities. After taking a course, trainees receive certification to boost their employment prospects, while the care industry benefits from an expanded talent pool. Rotary projects like this are successful because they address a local need, and they have the potential to attract local government funding to sustain their impact.

And in Guatemala, Gay and I went to Sumpango. Global grants there provide mechanical cows to produce soy milk; an improved water distribution system; water filters; clean compost latrines; family gardens; support for income generation; and training in WASH and literacy programs. The food items sold there not only provide nutrition to women and children, but also create a source of income for local women.

In every area of focus, and in every part of the world, Rotary projects are improving lives and helping communities adapt in a time of rapid change. As we celebrate another great year for Rotary, let us rededicate ourselves to strengthening the connections that make our service so impactful. We will make lives better as Rotary Connects the World.

President's Message

Good Evening Guest, Spouses and Fellow Rotarians

First of all, I would like to thank PP JJ Barcia and the rest of the West Davao Rotarians that attended the last meeting to discuss and plan for the Rotary Week.

It is the time of the year once again that we are celebrating Rotary Week, but due to unfortunate circumstances many scheduled events were either cancelled or postponed to a later time. This was done by the organizers with the members and their family's safety in mind. DISCON and DISTAS was postponed to a later date with the hope that the current situation improves. Our scheduled speaker hopefully enlightened us to the current virus currently circulating worldwide and hopefully on how to prevent/avoid getting infected. For those who already booked tickets and hotels, please get in touch with the district in order to hopefully facilitate rebooking or refunds.

This postponement is actually in favor of us so we can prepare our schedules and attend the DISCON on May 13-15. Just remember that this DISCON is an opportunity to meet rotarians within the district and a chance to bond also as a club. I hope that you will support our attendance to this coming DISCON.

With this I end the formalities and do an open forum or start of fellowship.

Thank You.

ROTARY INFORMATION

Holger Knaack selected to be 2020-21 Rotary International President

Holger Knaack, a member of the Rotary Club of Herzogtum Lauenburg-Mölln, Germany, has been selected to serve as president of Rotary International in 2020-21.

The Nominating Committee's decision follows the resignation last month of President-nominee Sushil Gupta due to health reasons. Knaack will officially become president-nominee if no other candidates challenge him by 31 May.

To build a stronger membership, Knaack says Rotary must focus on increasing the number of female members and transitioning Rotaractors into Rotarians. Knaack believes that the People of Action campaign offers new public awareness possibilities for Rotary. "This campaign conveys our global image while still respecting differences in regions and cultures," he says.

A Rotary member since 1992, Knaack has served Rotary as treasurer, director, moderator, member and chair of several committees, representative for the Council on Legislation, zone coordinator, training leader, and district governor.

He is an endowment/major gifts adviser and co-chair of the Host Organization Committee for the 2019 Rotary International Convention in Hamburg.

Knaack is the CEO of Knaack KG, a real estate company. He was previously a partner and general manager of Knaack Enterprises, a 125-year-old family business. He is a founding member of the Civic Foundation of the City of Ratzeburg and served as president of the Golf-Club Gut Grambek. Knaack is also the founder and chair of the Karl Adam Foundation.

Knaack and his wife, Susanne, are Major Donors to The Rotary Foundation and members of the Bequest Society.

The members of the Nominating Committee for the 2020-21 President of Rotary International are Kazuhiko Ozawa, Rotary Club of Yokosuka, Kanagawa, Japan; Manoj D.
