FIVE AVENUES OF SERVICE

1. **Club Service**, the first Avenue of Service, involves action a member should take within this club to help it function successfully .
2. **Vocational Service**, the second Avenue of Service, has the purpose of promoting high ethical standards in businesses and professions, recognizing the worthiness of all dignified occupations, and fostering the ideal of service in the pursuit of all vocations. The role of members includes conducting themselves and their businesses in accordance with Rotary's principles.
3. **Community Service**, the third Avenue of Service, comprises varied efforts that members make, sometimes in conjunction with others, to improve the quality of life of those who live within this club's locality or municipality.
4. **International Service**, the fourth Avenue of Service, comprises those activities that members do to advance international understanding, goodwill, and peace by fostering acquaintance with people of other countries, their cultures, customs, accomplishments, aspirations, and problems, through reading and correspondence and through cooperation in all club activities and projects designed to help people in other lands.
5. **New Generation**, the fifth Avenue of Service, recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster:

▪**FIRST.** The development of acquaintance as an opportunity for service;

▪**SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

▪**THIRD.** The application of the ideal of service in each Rotarian's personal, business and community life;

▪**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE 4-WAY TEST

Of the things we think, say or do:

1. **Is it the TRUTH?**
2. **Is it FAIR to all concerned?**
3. **Will it build GOODWILL and BETTER FRIENDSHIPS?**
4. **Will it be BENEFICIAL to all concerned?**

**THE MISSION OF ROTARY
INTERNATIONAL**

To support its member clubs in fulfilling the object of Rotary;

To globally promote the concept of service as worthy endeavor;

To strengthen and expand Rotary to communities around the world;

To foster unity among member clubs of the association.

ROTARY GRACE

ALMIGHTY & LOVING FATHER, Source of Life, we pray for Your blessings to come down on this gathering today, to make us one in thought and deed, as Your children in the service of Your eternal Kingdom. Weak as we are, let Your spirit be our strength in facing the different challenges in our lives. In times of uncertainty and want, guide us with Your word and the examples of Your saints, that we may learn the meaning of patience, fortitude and hope. And in times of fortune, remind us to be prudent, to be humble and compassionate to others in need. These we pray, AMEN.

R.I President Message

March 2020

March is the month we celebrate Rotaract — and this has been quite a year for our young partners in service.

Last spring, the Council on Legislation elevated Rotaract in our constitution: Rotary International is now the association of both Rotary clubs and Rotaract clubs. Then in October, the Rotary Board of Directors eliminated the artificial Rotaract age limit and took other steps to break down barriers that were preventing Rotaract from growing in some parts of the

world.

These steps were long overdue, because Rotaract is a vision of what Rotary must become. Not only do we need to open our doors to our young colleagues, but we also have to open our ears and minds to the Rotary experience they find most engaging. That is one of the best ways we will meaningfully grow Rotary. When I say grow Rotary, I mean it in many ways. We need to grow our service and to grow the impact of our projects. Most importantly, however, we need to grow our membership, so that we can achieve more. Rotaractors provide this opportunity, not only because they can transition to Rotary at the time that is right for them, but also because they understand what it will take to attract others like them.

Business as usual will not work for us anymore. Bringing in more members to replace the ones we lose is not the answer. It is like pouring more water into a bucket full of holes. We need to address the root causes of member loss in many parts of the world: member engagement that is not what it should be, and our member demographic that skews steadily older.

It is time to make some fundamental changes. We already know what the barriers are to an engaged and diverse membership. It is time to act on what we know: creating new membership models, opening new paths to Rotary membership, and building new Rotary and Rotaract clubs where the existing clubs do not meet a current need.

New club models represent an opportunity to connect with a more diverse group of individuals — particularly those who are unable or unwilling to join our traditional clubs. While new club models have been emerging for some time, it is up to district governors to make them a reality. In January at the International Assembly, our incoming district governors took part in an exercise called Build Your Own Club Model. It was a wonderful experience that put them in the right frame of mind for the work ahead.

Ultimately, however, it will be up to Rotaractors and young Rotarians to create new club models that are most meaningful to the next generation. We may think we know what young people want from Rotary clubs in the future, but I am confident that what young people say will surprise us. It will be our job to support their innovation, for it will help us grow Rotary as Rotary Connects the World.

President's Message

Good Evening Guests and Fellow Rotarians,

I would like to welcome you to our 1st meeting for the month of March. Once again I would like to thank our fellow members of the club who lent their time in support of the club during the culmination of the Rotary Week last February 23 at Boystown. I would like to thank PDG Bading Angala, IS Anthony Angala, PP JJ Barcia, PP Frank Ramos, IP Bernie Benedicto, Rtn Bimbo Gempesaw and guests, who despite their busy schedules were still able to join the event. We were able to give some personal items to the Boystown and also donate the anti drug literatures. We also had a Club Rotary Window display at Grand Men Seng during the Rotary Week.

As I have announced earlier DISCON was postponed to May 13-15 due to the NCOV. I hope we will be able to adjust our schedule so more of us including our spouses can join the said event.

Sad to announce, one of the pillars of our club, Bimboy Tionko has officially resigned from our club due to health reasons., thus lowering our numbers. with this I asked each and everyone to invite prospective members to join us during meetings or fellowships with the hope of them joining our club.

As always, I will end with this simple thought " THE GREATEST ACCOMPLISHMENT IS NOT IN NEVER FALLING, BUT IN RISING AGAIN AFTER YOU FALL!

Good evening and Thank you!

ROTARY INFORMATION

SPONSOR A NEW MEMBER

The RI Bylaws clearly outline the procedure for proposing someone for Rotary Club membership. The “Proposer”, or sponsor, is the key person in the growth and advancement of Rotary. Without a sponsor, an individual will never have the opportunity to become a Rotarian. Individuals must be asked to join Rotary; thus, it is every member’s responsibility to identify and invite prospective members.

The task of the sponsor should not end after submitting a name to the club secretary or membership committee. Although Rotary has not established formal responsibilities for sponsors, the following procedures are recommended in many clubs:

1. Invite a prospective member to several meetings before proposing the individual for membership.
2. Accompany the prospective member to one or more orientation or informal meetings.
3. Introduce the new member to other club members each week for the first month.
4. Encourage the new member to become involved in any club service projects underway.
5. Invite the new member to attend meetings of the Interact or Rotaract club.
6. Provide opportunities for the new member to get involved in international program efforts, such as Group Study Exchange or Rotary Youth Exchange.
7. Invite the new member to accompany the sponsor to neighboring clubs for the first make-up meeting to learn the process and observe the spirit of friendship.
8. Ask the new member and spouse to accompany the sponsor to the club’s social activities, dinners, or other special events.
9. Urge the new member and spouse to attend the district conference with the sponsor.
10. Serve as a mentor to ensure that the new member becomes an active Rotarians.

When a new member becomes involved and connected, both the club and the new member become stronger.
