The Object of Rotary and Reflection of Four Way Test

By: SE Dave Domingo

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four Way Test

Of the things we think, say or do:

1. *Is it the TRUTH?*
2. *Is it FAIR to all concerned?*
3. *Will it build GOODWILL and BETTER FRIENDSHIPS?*
4. *Will it be BENEFICIAL to all concerned?*

Shekhar Mehta, of the Rotary Club of Calcutta-Mahanagar, West Bengal, India, is the selection of the Nominating Committee for President of Rotary International for 2021-22. He will be declared the president-nominee on 1 October if no challenging candidates have been suggested.

Mehta acknowledges that current membership trends are a challenge and says that membership development should be Rotary's highest priority. He believes that focusing on regional plans, successfully transitioning Rotaractors into Rotary clubs, and increasing diversity and female members could yield a 5 percent net growth in membership each year.

"A major brainstorming is needed to find effective solutions suited to different areas of the world," says Mehta. He adds that regional ethos and culture have to be taken into account to find localized solutions, as "one size does not fit all." He believes Rotary can extend to new geographical areas and countries.

As a strong proponent of Rotary's strategic plan, Mehta says he will encourage clubs to use action plans and reinforce the core values of Rotary.

Mehta says Rotary needs to become more contemporary and adaptable by focusing on partnerships with governments and corporations, expanding partnerships with organizations that specialize in Rotary's areas of focus, and investing in technology.

Mehta, an accountant, is chair of the Skyline Group, a real estate development company he founded. He is also a director of Operation Eyesight Universal (India), a Canada-based organization.

Mehta has been actively involved in disaster response and is a trustee of ShelterBox, UK. After the 2004 Indian Ocean tsunami, he helped build nearly 500 homes for families affected by the disaster.

Mehta pioneered a program that has performed more than 1,500 life-changing heart surgeries in South Asia. He is also the architect of the TEACH Program, which promotes literacy throughout India and has reached thousands of schools.

A Rotary member since 1984, Mehta has served Rotary as director, member or chair of several committees, zone coordinator, training leader, member of The Rotary Foundation Cadre of Technical Advisers, and district governor. He is also the chair of Rotary Foundation (India).

Mehta has received Rotary's Service Above Self Award and The Rotary Foundation's Citation for Meritorious Service and Distinguished Service Awards.

He and his wife, Rashi, are Major Donors and members of the Bequest Society.
