By: Rtn. Mike Tabudlong

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four Way Test

Of the things we think, say or do:

1. *Is it the TRUTH?*

**Metro Kalibo addresses
sanitary toilet access woes

Support the Rotary Club of Metro Kalibo's Project Toilet!

Rotary International District 3850 www.rotary3850.org

With the current COVID-19 pandemic, sanitation and good hygiene is very important. However, in Aklan alone, more than 7,000 households still use open pits for toilets. Thus, to help address this problem, the Rotary Club of Metro Kalibo launched "Project Toilet" which aims to provide water tanks, toilets, and water pumps in the poorest villages in Aklan. The club's initiative is also in line with the goals of the Philippine Health Agenda that includes eliminating open defecation by 2022. (D3850 Web)
