ROTARY GRACE

*Father in Heaven, You are the source of Life, we pray for Your Blessings on this gathering today, to make us one in thought and deed, as Your children in the service of Your eternal Kingdom. Weak as we are, let Your spirit be our strength in facing the different challenges in our lives. In times of uncertainty and want, please guide us with Your wisdom and the examples of Your good works and deeds, that we may learn the meaning of patience, gratitude, fortitude and hope. And in times of fortune, remind us to be prudent, to be humble and compassionate to others in need. These we pray, in mighty Jesus name, Amen.*

## R.I President Message

**November 2022**

*Being asked to Imagine Rotary can seem like a big, heady exercise, but the most important element of it is something quite small, even personal.*

*Not too long ago, Rotary members were expected to perform our acts of service quietly. I understood and appreciated the thought behind that — humility is a wonderful trait, and we should continue to nurture it in other ways.*

*But keeping Rotary to ourselves has a cost. and by sharing our Rotary moments, we are being generous with others and giving them an opportunity to understand the impact of Rotary.*

*It brings to mind that wonderful aphorism: “People will forget what you said. People will forget what you did. But people will never forget how you made them feel.”*

*So how do we make people feel Rotary? The best way is to share our Rotary moments. We have all had them — when the ordinary collides with intention to create something extraordinary.*

*Some people have those Rotary moments the first time they go to a meeting. For others, it can take years, before seeing the joy in the eyes of someone we serve. Or perhaps in hearing from another member something that hit close to home.*

*As Nick and I share this journey, we are amazed at the work you are performing and the lives that are transforming. Throughout the year, I’m going to share with you the sights and the stories that made those tours meaningful for us.*

*I hope you can do the same in your corner of Rotary. It can be something you share in meetings or on social media. For the most savvy and ambitious, it could be an event you publicize with local media. Even sharing your stories with friends has impact.*

*We need ambassadors for Rotary’s message and our dreams for a better world. The best ambassadors are you. The more you share stories — and share them from the heart — the more you encourage others to partner with us, to join us, and to stay.*

*To give you just one small example, in the months ahead, I will be turning over this column to Rotary members who will share their personal stories as they relate to diversity, equity, and inclusion in our organization. It’s important that we hear these stories directly from the people who experienced them as a way of feeling the importance of DEI for the future of Rotary.*

*In everything we do, what people feel about Rotary will shape our future. I can only imagine what you will inspire through the stories you’ll tell.*

**Jennifer Jones**

R.I. President, RY 2022-23

## President's MESSAGE

Fellow Rotarians and Guests. Good Evening.

Unforgettable. That is my description of how I felt when I presided the last club meeting. Although such tasks are not new to me since I also hold large crowds in my other group but Rotary is different. This crowd creates closeness like family, with sincerity and camaraderie. My heartfelt thanks to my brothers in RC West Davao.

First, allow me to, again, congratulate our newly inducted member Adonis Tan. Welcome to the Rotary family Rtn. Adonis. A special thanks also to Rtn. Mike and Rtn. Sonny for their efforts in our Club Membership. We welcome our tonight's guests: Kashmer Ritchie Sampulna, Francisco M. Bonguyan and Chito Alberto Go. We value and appreciate your presence. And, of course, from our sister RC Forbes Park, thank you PP Edwin Salonga for being with us. We are looking forward to have a pleasant fellowship with your Club soon.

Secondly, we are in the process of applying for a District Grant for this Rotary year. Please help us to facilitate the proposed fencing project in our Mintal Day Care Center. We initially started with the help of Rtn. Adonis who facilitated the price listing of the materials. We should be reminded that the deadline for submission of District Grant applications should not be later than November 30, 2022.

Lastly, we will have our Club Christmas Party on December 3, next Saturday. I urge all members to attend with your family. Kindly save that date as we need to finalize all arrangements.

Again, thank you everyone and enjoy the fellowship after the meeting.

To God be the Glory. Yours in Rotary,

## ROTARY INFORMATION

### Types of Membership

There are two types of Rotary Club membership: Active and Honorary.

An active member is one who has been elected to membership under a business or professional classification and enjoys all the obligations, responsibilities, and privileges of membership as provided in the RI Constitution and Bylaws. Active members may hold office in their clubs and serve RI at the district and international levels. They are expected to meet attendance requirements, pay dues, and bring new members into Rotary.

Honorary membership may be offered to people who have distinguished themselves by meritorious service in the furtherance of Rotary ideals. An honorary member is elected for one year only, and continuing membership must be renewed annually. Honorary members cannot propose new members to the club or hold office and are exempt from attendance requirements and club dues.

Many distinguished heads of state, explorers, authors, musicians, astronauts, and other public personalities have been honorary members of Rotary Clubs, including King Gustaf of Sweden, King George VI of England, King Badouin of Belgium, King Hassan III of Morocco, Sir Winston Churchill, Albert Schweitzer, Charles Lindbergh, Jean Sibelius, Sir Edmund Hillary, Thor Heyerdahl, Thomas Edison, Walt Disney, Bob Hope, Albert Sabin, Margaret Thatcher, Bill Gates, and many of the presidents of the United States.
