Object of Rotary & Reflection of the Four Way Test

PE Michael "Mike" B. Tabudlong

Object of Rotary

By: Sec. Sonny Perez

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four (4) Way Test

Of the things we think, say or do:

1. ***Is it the TRUTH?***
2. ***Is it FAIR to all concerned?***
3. ***Will it build GOODWILL and BETTER FRIENDSHIPS?***
4. ***Will it be BENEFICIAL to all concerned?***

Dear Fellow Rotarians of West Davao Rotary Club and Kurayoshi Rotary Club,

On behalf of Kurayoshi Rotary Club I am very honored to express a joyous message before Agreement. Both Clubs have faithfully kept Sister Club Relationship for 45 years long thanks to our Seniors.

Now we both Clubs are going to renew our ties further more. Even now I remember vividly the scene of the first Ceremony held at the PDG Salvador Angala's Residence. I am really fortunate to be here once again as one of the witnesses at the Ceremony and we would like to establish more solid ties between us. I will do my best. Finally, I would say I am proud of having such splendid foreign Rotary Club like you.

Thank you and Congratulations!

To the members of Rotary Club of Kurayoshi

We all know that **ROTARY** started with a vision of one man, **Paul Harris**, a lawyer, on the year 23rd of February, 1905, in Chicago so professionals with diverse backgrounds and professions could exchange ideas and establish meaningful lifelong friendship.

Looking back to history, the birth of our friendship started when past district governor **Fumitoshi "Toshi" Ito**, invited me to address your club during your Charter Anniversary where I, my spouse Linda and my mother attended. It was one of our most enjoyable and memorable visits with your club.

We are extremely happy that the most treasured Sisterhood Club Relationship is now being reestablished and renewed. Yes, looking back to history, the friendship brought about many enjoyable and fruitful visits from the members of both clubs. Joint relevant projects were undertaken where you generously donated and sponsored to its success. Your sponsoring our daily feeding program and donations like the sawing machines and many other else helped us in our Rotary Village Corps Program, not to mention the help you have extended to Boystown, an institution and a home for very indigent children.

One of the very memorable and much appreciated visit I had with your district was when I was **RI President Kalyan Banerjee's Representative** in RY 2011-2012 to your district, when Past District Governor **Fumitoshi "Toshi" Ito** was your District Governor. My spouse Linda and I will never forget the kind and generous hospitality you have so graciously extended to us. This I will always cherish and treasure.

I hope and pray that the reestablishment and renewal of our Sisterhood Club Relationship will be stronger and firmer, so that we can together bring about lasting change in our communities and share Rotary's ideals of service, leadership, diversity and integrity. Let this joint meeting further seal our continuing brotherhood and friendship.

With all my respects,

Salvador A. Angala

President's Message

Sister-Club Renewal Agreement 2024

March 7, 2024

Dear President Mr. Dennis Domingo and fellow Rotarians of West Davao Rotary Club
On behalf of Rotary Club of Kurayoshi it is my great privilege to express the Celebration message at the Agreement Ceremony.

Now it is March. After overcoming a long cold Winter, at last we are able to feel Spring sign hereand there in Japan. In about two weeks, we can appreciate a full-bloomed cherry flower across Japan.
First of all, I would like to express deep gratitude to you. Today, thanks to your Rotary Spirit we here with are going to renew our Ties of Sister Club Relation.

On 1979, just 45 years ago we concluded it and since then both of us have carried out intervisitation several times. Using those opportunities we have strengthened our Ties Friendship, mutual Understanding and Fellowship, Moreover we have supported, helped your actions and sometimes carried out a joint Service with you to save the less happy people of Davao. Those valuable activities and results have been constructed historically by our Senior's sweat and effort. I would like to be grateful for those Rotarians.

Our Kurayoshi Rotary Club will celebrate our 70th Anniversary coming June. As you know, Japan was defeated World War 2 on 1945. 9 years later our Club was born with 25 young and earnest Rotarians. Right now, our members are over 40 and average year is 66. We are doing good locally and globally as same as your action after going through difficulties of Corona-19 Pandemic.

I myself visited you for the first time on 2013, at the time of the Presitdent Dr Anthony Angala. Even now I have been unable to forget the beautiful nature of the Philippines and the cordial hospitalities showed us during our stay there. Take this opportunity I would like to mention of the personal friendship between PDG Mr Salvador Angala and PDG Dr Ito. Thanks to them our Relation has been kept peacefully for long time.

Finally let us pray for world peace and the prosperity of both Philippines & Japan and Your Club & Ours

Thank you.

Sister-Club Renewal Agreement 2024

March 7, 2024

Dear Pres. Shinichiro ,

Greeting to all esteemed Rotarians and the spouses of the Rotary Club of Kurayoshi. I extend heartfelt greetings to each one of you as we come together to renew the bonds of friendship and collaboration between our clubs for another promising year. The memories of your visit to us in February 2019 are carved in our hearts, serving as a reminder of the profound camaraderie, fellowship, and shared moments that have fortified our connection.

As we commemorate the remarkable 45 years of our friendship, we are reminded of the enduring commitment to service that unites us. The motto "TO SERVE ABOVE SELF" resonates across the miles and differences, reinforcing our shared dedication to making a positive impact.

A special acknowledgment goes to our esteemed Past District Governors, Salvador "Bading" Angala and PDG Dr. Fumitoshi Ito, whose visionary leadership has been instrumental in nurturing and sustaining the robust bond between our clubs.

Embarking on this renewed journey, let us celebrate the unwavering commitment of our clubs to serve those in need. May our collective efforts inspire hope, foster success, and bring about extraordinary transformations in our respective communities. The spirit of Rotary, with its ethos of service and fellowship, will undoubtedly continue to thrive within us, enriching the lives of those we touch.

Congratulations to all of us on this auspicious occasion. May peace, love, and prosperity accompany us in all our endeavors.

Sincerely yours,
