# Invocation

---

**Heavenly Father,**

We thank you for another day of fellowship and for your continued grace of protection and healing for our family, friends and colleagues.

We thank you for the opportunity to serve others through Rotary. We also thank you for all our past leaders who have shared their wisdom and has been the foundation of this great club.

We pray for our new Club President, Officers and Board of Directors that you may grant them the wisdom to carry out their duties and responsibilities guided by the principles of Rotary.

We also pray for our front liners for their strength and resilience to help those who are sick and vulnerable. We pray for our nation and our leaders to continue to make a difference and help others live better lives.

Please bless our induction today so that we can achieve the objectives of the meeting. Continue to enlighten our minds and give us strength as we face the challenges ahead. Strengthen us, restore us and inspire us with your love.

These we all ask, in your mighty name,

**Amen.**

I. I want to be a Rotarian for the world,  
Make the Rotary flag as the flag of peace  
unfurled;  
I shall serve my community,  
Help achieve universal unity.  
Through Rotary, I shall dedicate my all,  
World understanding shall be my cherished  
goal.

II. With the Four Way Test  
I'll pursue my quest  
And if I, in a way help obtain  
Peace in the world  
I shall not have lived in vain.

III. I observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

IV. With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
We shall not have lived in vain.

V. Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason we'll  
divide.  
We shall all understand, why the good Lord  
is our guide.

VI. With the Four Way Test  
We'll pursue our quest  
And if I, in a way help obtain  
Peace in the world  
We shall not have lived in vain.

VII. Peace be achieved,  
We shall not have lived in vain.

# Message from the Rotary Club of Yokohama Konan

My name is Shigeya Hirayama, the 51st Club President of the Rotary Club of Yokohama Konan.

In September 2019, the club organized activities and events to mark its 50th anniversary year.

You sent us not only warm anniversary wishes but also 25 delegates to the anniversary event, including Past District Governor Antonio Anton Florendo and Mrs. Lily Florendo, Past President Masao Koike and Mrs. Rosana Koike. I would like to take this opportunity to express my gratitude and appreciation to your club.

Mr. Jensen Racho, I would like to offer to you my most sincere wishes for a successful term as the 36th Club President. Since Mr. Jensen Racho is an Architecture expert and I am a Civil Engineering expert, we have the set of skills, knowledge and experiences to help others. We are here to collaborate. I look forward to working with you closely to further strengthen our friendship to advance our objective.

As the COVID-19 quickly spread around the world starting early this year, the disease caused us to feel worried and stressed. What is even worse, no one knows when the COVID-19 pandemic will end.

All of us, especially new members have been disappointed in this present situation that we are not allowed to travel to attend your Induction and Turnover Ceremony. However, members of International Service Committee are still hoping that they may be able to visit your club in October to assist with the Rotaplast Medical Mission. In the event, the COVID-19 pandemic may not subside by that time, then we will discuss donation. If we can be of any further assistance, please feel free to contact us. We would be happy to provide the requested goods. How about soap and disinfectant?

The year 2020 is already off to a bad start. Now, it's time to strengthen the bonds of goodwill and friendship and overcomes an outbreak together as a Rotarian. This is my urgent issue that needs immediate attention and proactive action. As a Rotarian, I will focus on protecting children and *vulnerable groups* from this global pandemic as well as raising their living standards.

Lastly, Rotary International President Holger Knaack's theme for 2020-21 is "*Rotary Opens Opportunities*"

So, let's open opportunities, defeat the COVID-19, tackle the exceptional business challenges presented by the COVID-19, and get back to normal economic activities at the soonest possible time.

Let's make this year a great one!

**Club President**

## Message from the Rotary Club of Yokohama Konandai

Mr. Jensen Racho, please accept my sincere congratulations on your inauguration of Club President of the Rotary Club of Cebu Port Centre.

I wish you success in leading the club to its next chapter and I look forward to seeing how the value of spending quality time with fellow Rotarians manifest under your leadership.

I joined Rotary Club in 1991. For the year 2006-2007, I served as Club President. And this year, I am assuming my duties as Club President for the second time.

Please do respect opinions and views of your fellow club members. I expect that there will be heightened awareness among members and plans are developed to achieve the ideal of service.

Speaking of which, the company owned by Mr. Masao Koike, Club International Service Chair is located in the industrial zone in Yokohama City, Japan. And it just so happens that my company is also located in the same zone, next to his office building.

Furthermore, I was a next-door neighbor during the time he was a working-class man.

It might sound weird for you, but I have deep emotional ties to Mr. Masao Koike.

Rotary brought us together. It is therefore my heartfelt wish that the Rotary Club of Cebu Port Centre would build stronger, deeper and meaningful relationship with us, the Rotary Club of Yokohama Konandai, Japan.

Together, we can make things happen.

**Mr. Fujio Fukagawa**  
**Club President 2020-2021, The Rotary Club of Yokohama Konandai**

# Message from the Rotary Club of Tatebayashi

Dear Club President Jensen Racho

My club members and I send you our congratulations and warmest good wishes as you assume your new responsibilities as the 36th Club President of the Rotary Club of Cebu Port Centre.

Induction & Turnover Ceremonies are lively and stylish events.

In response to the COVID-19 outbreak and in light of the health and safety recommendations, I guess you had to completely overhaul your plan and run your Induction & Turnover Ceremonies exclusively online. You must have struggled with the present situation on a scale none of us have ever seen before.

The coronavirus outbreak has had a major impact on our activities as well. Due to restrictions on gatherings to slow the spread of this virus, we were forced to cancel regular meetings and programs. Now, our lives are slowly returning to normal, but it is still too early to let our guard down. This is the time to assess our community's needs and act in accordance with the objects of Rotary.

I know the Rotary Club of Cebu Port Centre has a sense of enthusiasm and lot of energy. It is my sincere wish that your club will continue to achieve successful goals, that everyone stays healthy, and by the end of the year, you will be able to feel a sense of accomplishment and pride.

On the day of 6<sup>th</sup>, July, 2020

**Toshiyuki Yatagawa**  
**2020 – 2021 Club President, Rotary Club of Tatebayashi**

# Message from the Rotary Club of Oita Minami

## Congratulatory Message for New Club President

I am pleased to offer my sincere congratulations to Mr. Jensen Racho, on your inauguration as Club President of the Rotary Club of Cebu Port Centre.

Rotary Club activities have big effects. The Rotary Club of Cebu Port Centre responds to the epic challenges in unity and being committed to keep your services up and running. I would like to pay tribute to the club members for all their hard work.

The Rotary Club of Oita Minami embarked on a joint project with the Rotary Club of Cebu Port Centre in relation to the KADVO project during the time of Past President Masao Koike and Past President Shunichi Yoshitake. Then, we undertook a water drilling project. A sister club relationship was established at the time of Past President Toby Florendo and Past President Hiraku Nakajima. Our sister club relationship has grown rapidly in recent years.

I travel to Cebu on a yearly basis and spending time together is so precious to me. I just want to take this opportunity to say thank you very much for the remarkable hospitality and intense care.

For the year 2020 – 2021, we will continue to support the water drilling project and the community services awaiting our help. While performing community service projects, we will be able to build a relationship that is positive and meaningful.

May we all be blessed with a friendship that will last forever.

I pray for an end to the COVID-19 Pandemic, and for us to be able to return to our normal daily activities.

Best wishes for continued success in your career and I'm glad we will be working closely together on upcoming projects.

**Katsuhiro Anan**
