Host of the Day

Invocation

Thank you for our Rotary meeting. For everyone that puts something into it, and everyone that gets something out of it. We invoke your blessings on this meeting and all who grace it with their presence. Lord, help us to be gentle with ourselves and one another, not expecting more than we can, nor they can produce. We know there is so much good in the worst of us and so much bad in the best of us that it hardly behooves any of us to talk about the rest of us. Be with us this day and always by strengthening our belief in the ultimate triumph of truth and right. This prayer we make in the name of the way of truthful living. Amen

THE FOUR-WAY TEST

The test which has been translated
into more than 100 languages, asks
The Following questions:

Of the things we think, say or do

- **Is it the TRUTH?**
- **Is it FAIR to all concerned?**
- **Will it build GOODWILL and BETTER FRIENDSHIPS?**
- **Will it be BENEFICIAL to all concerned?**

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Nigeria reaches crucial polio milestone - By Ryan Hyland

It's been three years since health officials last reported a case of polio caused by the wild poliovirus in Nigeria. The milestone, reached on 21 August, means that it's possible for the entire World Health Organization (WHO) African region to be certified wild poliovirus-free next year.

Nigeria's success is the result of several sustained efforts, including domestic and international financing, the commitment of thousands of health workers, and strategies to immunize children who previously couldn't be reached because of a lack of security in the country's northern states.

"Rotary, its Global Polio Eradication Initiative partners, and the Nigerian government have strengthened immunization and disease detection systems," says Michael K. McGovern, chair of Rotary's International PolioPlus Committee. He adds: "We are now reaching more children than ever in some of the hardest-to-reach places in Nigeria."

McGovern says Rotary members in Nigeria play an important role in ridding the country of the disease. "Rotarians have been hard at work raising awareness for polio eradication, advocating with the government, and addressing other basic health needs to complement polio eradication efforts, like providing clean water to vulnerable communities."

Nigeria is the last country in Africa where polio is endemic. Once Africa is certified as free of the wild poliovirus, five of the WHO's six regions will be free of wild polio. Polio remains endemic in Afghanistan and Pakistan, which means transmission of the virus has never been stopped.

Dr. Tunji Funsho, chair of Rotary's Nigeria National PolioPlus Committee, acknowledges the milestone but cautions Rotary members about celebrating too soon. He cites the challenge of making certain that routine immunizations reach every child in Nigeria.

"It's paramount that we ensure all doors are locked to the re-entry of the wild poliovirus into our country," says Funsho.

Funsho says to achieve this, Rotary needs to maintain strong advocacy efforts, continue to increase awareness of immunization campaigns, and ensure members raise necessary funds. Rotary has contributed \$268 million to fight polio in Nigeria.

"As the first organization to dream of a polio-free world, Rotary is committed to fulfilling our promise," says McGovern. "Our progress in Nigeria is a big step toward that goal, but we need to maintain momentum so that Pakistan and Afghanistan see the same level of progress."

Join Rotary on World Polio Day, 24 October, to celebrate our progress. Help us reach our goal of a polio-free world by donating today.

Have You Ever Seen the Rain?

by Creedence Clearwater Revival

Someone told me long ago
There's a calm before the storm
I know - it's been comin' for some time
When it's over so they say
It'll rain a sunny day
I know - shinin' down like water

I want to know
Have you ever seen the rain?
I want to know
Have you ever seen the rain
Comin' down on a sunny day?

Yesterday and days before
Sun is cold and rain is hard
I know - been that way for all my time
'Til forever, on it goes
Through the circle, fast and slow,
I know - it can't stop, I wonder

I want to know
Have you ever seen the rain?
I want to know
Have you ever seen the rain
Comin' down on a sunny day?

Yeah

I want to know
Have you ever seen the rain?
I want to know
Have you ever seen the rain
Comin' down on a sunny day?

Ligtas POLIO

What is Polio? | Polio (poliomyelitis) is a highly contagious disease caused when the poliovirus invades the nervous system. **Signs and symptoms** include fever, fatigue, headache, vomiting, stiff neck and sudden onset of floppy arms or legs. Severe cases can lead to permanent paralysis or even death.

Anyone who has not been fully immunized has the risk of getting polio. **Children under five years of age are most vulnerable.**

Polioviruses primarily spread via feces | Polioviruses infect via the oral-fecal route - often through food, water or objects **contaminated with feces from an infected person.**

1 Child excretes virus in feces.

2 Virus transferred to objects from hands.

3 Virus transferred to another child's hands.

4 Virus is ingested.

5 Next cycle of infection begins.

Global Polio Cases | Polio cases worldwide decreased by over 99% since 1988 - from an estimated 350,000 cases to 356 reported cases in 2014. Of the three strains of wild poliovirus (types 1, 2 and 3), poliovirus type 2 is first to be eradicated in 1999.

As of 18 August, 36 wild poliovirus cases have been reported globally for 2015. These cases come from Afghanistan and Pakistan. One case of vaccine-derived poliovirus type 2 was also detected in Nigeria.

Polio in the Philippines | The last case of wild poliovirus in the Philippines was reported in 1993. The country is polio-free since 2000. However, circulating vaccine-derived poliovirus cases were detected in

Status: Polio Eradication

2001. Moreover, the routine coverage for the third dose of the Oral Polio Vaccine (OPV) has remained below 95% target in the recent years, placing the country at high risk for poliovirus outbreaks.

Towards a Polio-Free World | Polio-free countries remain at risk until poliovirus transmission is completely stopped in endemic countries. As the world is getting closer to eradicating polio, a new global strategy is being adopted to stop the poliovirus transmission globally - the introduction of at least one dose of Inactivated Polio Vaccine (IPV) in routine immunization.

"Just a little smile"

Teacher: "If I gave you 2 cats and another 2 cats and another 2, how many would you have?"

Johnny: "Seven."

Teacher: "No, listen carefully... If I gave you two cats, and another two cats and another two, how many would you have?"

Johnny: "Seven."

Teacher: "Let me put it to you differently. If I gave you two apples, and another two apples and another two, how many would you have?"

Johnny: "Six."

Teacher: "Good. Now if I gave you two cats, and another two cats and another two, how many would you have?"

Johnny: "Seven!"

Teacher: "Johnny, where in the heck do you get seven from?!"

Johnny: "Because I've already got a freaking cat!"

PRESIDENT'S TIME

My Fellow Rotarians,

The active members of us had a very busy and great time after our last meeting. First let me congratulate our club to be successful in the hosting of the 1st Reunion of the PAST DISTRICT GOVERNORS from Different Districts in the Philippines: 3860, 3850, 3800, 3870, 3830, 3770, 3780, 3820 and 3790. The Governors and their spouses really enjoyed their time at Bohol. Thanks to all the ones who arranged and joined the several activities FROM August 31 to Sept. 02, 2019.

Our BoD Meeting last Sept. 03 was again very fruitful and lively. We even extent this afternoon with a fellowship meeting in Bo's Coffee at Alona Beach. At this shop as well as in Valeroso Tours and Tip-Top Deli shop, Alona, we deposited our END POLIO Money Banks.

Our treasurer Christiane and I had to join the District GRANT SEMINAR, held in Golden Prince Hotel, Cebu. We should use our knowledge to apply again for grant. Thanks to PAG Louella Bantol for arranging on this same date, Sept. 7, in Jagna the Basic Orientation and Youth Leadership Seminar. This event was of course a great success!

Let me at this moment welcome back our Rtn. Armin Kogler, who also joined on Sept. 10, our 2nd Bloodletting in Henann together with Red Cross and Henann Resort @ Henann Hotel. Thanks to Rtn. Cynthia, Jhun, Mabel, Armin, Boris and my guests from RC Cebu Guadeloupe for joining this project. We also were able to deposit two more of our money banks there at the hotel.

On Sept. 10, Rtn. Christiane and Rtn. Boris went with me for an inspection to our E-Hub project in Jandig, Maribojoc. The pictures from there are posted in our Facebook Group.

Last Friday on Sept. 13, 2019 we additional had a pocket meeting in Aioli Restaurant, Tagbilaran. Rtn. Jhun, Cynthia, Mabel, Victor, Louella, Rob and Boris joined this meeting with important topics. Thanks for giving your time for Rotary!

Several activities are waiting to be done. Let us connecting in the work for the community. And let us prepare for the visit of our District Governor Philip Tan, who is coming on Oct. 09, 2019 to visit and check our club.

Let's continue moving forward and remove the barrier that is holding us back to become better Rotarians and citizens of our community. I believe that each of us came to Rotary to make a difference, to have an impact and to become part of something larger than ourselves. This is it. We are here now! I ask you to continue to be the inspiration for sustainable service as much as I am inspired by all of you today.

Your Champion President
Irena M. Heberer

PHILIPPINE NATIONAL ANTHEM

Bayang magiliw
Perlas ng silanganan
Alab ng puso
Sa dibdib mo'y buhay

Lupang Hinirang
Duyan ka nang magiting
Sa manlulupig
Di ka pasisiil

Sa Dagat at bundok sa simoy
At sa langit mo'y bughaw
May dilag ang tula
At awit sa paglayang minamahal
Ang kislap ng watawat mo'y
Tagumpay na nagniningning
Ang bituin at araw niya'y kailan
Pama'y di magdidilim

Lupa ng araw ng luwalhati't pagsinta
Buhay ay langit sa piling mo
Aming ligaya nang pag
May mang-aapi
Ang mamatay ng dahil sayo

BOHOL HYMN

Yuta kong minahal,
Hatag ni Bathala;
Sa adlaw'g gabi-i,
Taknang tanan
Dinasig sa kinaiyahan
Sa mga bayaning yutawhan
Imong kalinaw gi-ampingan
Lungsod sa bungtod nga matunhay
Ug matam-is nga kinampay

Puti ang kabaybayunan
Walog sa suba binisbisan
Bahandi sa dagat ug kapatagan
Gugma ang tuburan
Sa kagawasan sa tanan
Panalanginan ka
Ihalad ko lawas ug kalag
Sa mutya kong Bohol.

ROTARY HYMN

I want to be, A Rotarian for the world
Make the Rotary flag, be the flag of peace unfurled
I will serve my community
Help to seek international unity
Thru Rotary, I will dedicate my all
World understanding shall be my cherished goal

With the Four Way Test
I'll pursue my quest
And I in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe Service Above Self
Lend a hand to all who'll need my help
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family

With the Four Way Test
We'll pursue our quest
And we in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth
Strengthened by nothing but the truth
Let's join our hands, there's no reason to divide
We shall all understand, while the good Lord is our guide

With the Four Way Test
We'll pursue our quest
And we in a way help obtain
Peace in the world
Then we won't have lived in vain.

OUR COMMITMENT THE SIX AREAS OF FOCUS

- ❖ **Promoting Peace** Today, 42 million people are displaced by armed conflict or persecution. Through our partnerships with several leading universities, Rotary Peace Fellows develop the skills to strengthen peace efforts, train local leaders to prevent and mediate conflict, and support long-term peace building in areas affected by conflict. We provide up to 100 peace fellowships per year at Rotary Peace Centers.

- ❖ **Fighting Disease** More than 100 million people are pushed into poverty each year because of medical costs. We aim to improve and expand access to low-cost and free health care in underdeveloped areas. Our members educate and mobilize communities to help prevent the spread of major diseases such as polio, HIV/AIDS, and malaria. Many of our projects ensure that medical training facilities are located where the workforce lives.

- ❖ **Providing Clean Water** More than 2.5 billion people lack access to adequate sanitation facilities. At least 3,000 children die each day from diarrheal diseases caused by unsafe water. Our projects give communities the ability to develop and maintain sustainable water and sanitation systems and support studies related to water and sanitation.

- ❖ **Saving Mothers and Children** At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, we provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers for mothers and their children. Our projects ensure sustainability by empowering the local community to take ownership of health care training programs.

- ❖ **Supporting Education** Sixty-seven million children worldwide have no access to education and more than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

- ❖ **Growing Local Economies** Nearly 1.4 billion employed people live on less than \$1.25 a day. We carry out service projects that enhance economic and community development and develop opportunities for decent and productive work for young and old. We also help strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.
