The Club currently has three (3) new scholars listed below and they are taking up BS Accountancy, a (4) four year course, at a private school — University of Mindanao, Tagum City Campus. There are two (2) existing scholars who proceeded with their 5th year Accounting Education in order to be allowed to take the board exam for accountants.

The funds for the Scholarship Program is largely taken from the Printing Press business of the club which was visited by DG Philip Tan during the Governor's Visit on September 5, 2019 and other fund raising activities like raffles. At present, the fund for the program has reached almost 2 million. Full tuition is paid by the club until they graduate.

With this program, the club gives hope to indigent but deserving students in Tagum City. So far, we have produced a Summa Cum Laude in the person of Daisy Mae S. Harding.
