

COURTESY CALL

September 3, 2019

FOCUS:

- 1.) PUBLIC IMAGE PROJECT OF THE CLUB
- 2.) PUBLIC AWARENESS ABOUT ROTARY
- 3.) DISCUSS WITH THE MAYOR REGARDING THE ESTABLISHMENT OF THE ROTARY WHEEL AND ROTARY CHILDREN'S PLAYHOUSE AT THE ROTARY PARK

The club wants to put a Rotary wheel and signage at the Rotary Park where the club's office used to sit. The club asked permission from the mayor and he granted it. We also discussed the club's plan to construct a Rotary Playhouse therein because under the law, the park is for kids. We were able to get a space for the purpose.
