

GROUND BREAKING OF POLICE SUBSTATION IN BRGY. CANOCOTAN, TAGUM CITY

September 5, 2019

FOCUS:

1.) PEACE AND ORDER PROJECT OF THE CLUB AND LYR GROUP OF COMPANIES IN PARTNERSHIP WITH TAGUM CITY

The club saw the need of a police substation in the area because there are several passengers/commuters who would wait for a ride in this intersection. At night, police is not visible. Thus, in order to maintain peace and order in the area a substation is needed where police officers can hold office. Present during the groundbreaking were DG Tan, AG Malbog, Mayor Rellon, Police Officers and club members.

At the moment, the substation is almost finished.
